LEA - LAW ENFORCEMENT

A separate academy application process is required. The application is available at: www.rrcc.edu/law-enforecement-academy.

The Law Enforcement Academy is an academically intense 39 credit hour program which eventually leads to State Of Colorado POST certification. The State Of Colorado regulates admission to law enforcement academies and is contingent on the student not having any convictions, deferments, or pre-trial diversions for felonies or de-certifying misdemeanors found in Colorado Revised Statute 24-31-305.

Veterans who apply cannot have a dishonorable discharge.

Other pre-requisites for the Academy include equivalency in College Math and English, a current Colorado driver's license, current First aid and C.P.R. cards, a high school diploma or transcript showing graduation from high school, and a physical exam showing the applicant has the ability to perform the duties of a Peace Officer.

Admission is at the discretion of the director of the Academy. Factors such as excessive moving violations, recent or frequent use of illegal drugs, or omissions or false information in the application process can be grounds for denial of admission.

Class is usually held Monday through Friday 7:30 A.M. to 5:00 P.M. There is one night during the week of physical training for one and a half hours. Other night classes and occasional Saturday classes are also required. The application packet and instructions can be found on "The Rock" under the Law Enforcement Academy tab.
