Internship Final Project Agreement

Student's Name: _____

Part 1: Final Paper Requirements

Your final report must be double-spaced paper that covers the points outlined in your *Guidelines for Final Paper*. You can add any additional information that you would like. The length of the paper depends on the number of credits of your internship. *The purpose of this paper is to be a reflection on your internship experience.* Copies of your Final Paper get submitted to your both the **Internship Coordinator** and **Internship Instructor**.

Credits	***Length of Final Report***
1 credit (45 hours)	2 pages
2 credits (90 hours)	3 pages
3 credits/Non-Credit (135 hours)	4 pages
6+ credits (270+ hours)	6+ pages

Part 2: Additional Final Project Requirements

Your Internship Instructor may have additional requirements for your internship. Additional Final Project requirements could be a presentation to a class or professional group or a research poster for science and research based internships. *The purpose of any additional final project requirements is to enhance your internship experience through real world applications.*

Please state any additional final project requirements below. If there are no additional requirements you can leave this area blank.
