ACT - AUTO COLLISION TECHNOLOGY

(In cooperation with and taught at WarrenTech). The Automotive Collision Technology program is offered at WarrenTech. Students attend this program either in the morning (7:30-10:30 M-F) or the afternoon (12:00-3:45 M-R) for four semesters. Students enroll in specified blocks of classes each semester with instructor approval and may not enroll in individual courses. In order to begin the enrollment process, students must first be accepted by WarrenTech. A WarrenTech application and Accuplacer test results must be submitted to the WarrenTech counseling office. Contact the RRCC-WarrenTech liaison at 303.914.6543 or 303.982.5232 for application deadlines and other procedural questions.

AEC - ARCHITECTURE, ENGINEERING AND CONSTRUCTION

Contact an Engineering Graphics Technology advisor with questions concerning certificate/degree programs or call 303.914.6572 for more information. See CAD, and EGT for more courses.

CUA - CULINARY ART

This program is designed to prepare culinarians in hands-on, paid, full-time employment with an approved RMCC sponsoring house. This demanding six-semester (three-year) program will prepare and teach students to achieve certified culinarian status through the American Culinary Federation (ACF) and to earn a journeyman certificate through the United States Department of Labor, Bureau of Apprenticeship. For more information on the program, please go to: www.rrcc.edu/culinary

CWB - COMPUTER WEB

Contact the Computer Technology Department Chair: (Julie.Schneider@rrcc.edu) with questions about certificate/degree programs. Advising guides are posted at www.rrcc.edu/computer-technology > Course Sequencing Guides.

DMS - DIAGNOSTIC MEDICAL SONOGRAPHY

Enrollment in DMS courses, except for DMS 101, is limited to students who have been accepted into the Sonography program. Please visit the program website at www.rrcc.edu/medicalimaging for application procedures and admissions requirements. Additional fees required for internships. In order to participate in the clinical portion of this program, and therefore complete the program, the student must complete a criminal background check per state guidelines. See program advisor for more information. Internet access required.

FIW - FINE WOODWORKING

For further information please see our website at www.rrcc.edu/finewood. Many classes require tools and materials. Most classes will meet in the wood shop, CTC 2829. The first hour of every class will be reserved for lectures and demonstrations, and all machinery is to remain off until the lecture/s are complete. There will be a showcase of student work at the end of every semester, student participation will be mandatory.

				Design and build an electric guitar. The course introduces advanced techniques, teaching students to design their own electric guitar from scratch. Students build their guitar using hand tools, power tools, and stationary tools. The class furthers student's understanding of the various parts of an electric guitar and how they work together to form a functioning instrument, as well as basic finish and setup. This class builds on skills learned in FIW 131 Electric Guitar Construction.

LEA - LAW ENFORCEMENT ACADEMY
A separate academy application process is required. The application is available at: www.rrcc.edu/law-enforecement-academy.

The Law Enforcement Academy is an academically intense 39 credit hour program which eventually leads to State Of Colorado POST certification. The State Of Colorado regulates admission to law enforcement academies and is contingent on the student not having any convictions, deferments, or pre-trial diversions for felonies or de-certifying misdemeanors found in Colorado Revised Statute 24-31-305.

Veterans who apply cannot have a dishonorable discharge.

Other pre-requisites for the Academy include equivalency in College Math and English, a current Colorado driver's license, current First aid and C.P.R. cards, a high school diploma or transcript showing graduation from high school, and a physical exam showing the applicant has the ability to perform the duties of a Peace Officer.

Admission is at the discretion of the director of the Academy. Factors such as excessive moving violations, recent or frequent use of illegal drugs, or omissions or false information in the application process can be grounds for denial of admission.

Class is usually held Monday through Friday 7:30 A.M. to 5:00 P.M. There is one night during the week of physical training for one and a half hours. Other night classes and occasional Saturday classes are also required. The application packet and instructions can be found on "The Rock" under the Law Enforcement Academy tab.

MAC - PRECISION MACHINING TECHNOLOGY

(In cooperation with and taught at WarrenTech) The Precision Machining Technology program is offered at WarrenTech. Students attend this program either in the morning (7:30-10:30 M-F) or the afternoon (12:00-3:45 M-R) for four semesters. In order to begin the enrollment process, students must first be accepted by WarrenTech. A WarrenTech application and Accuplacer test results must be submitted to the WarrenTech counseling office. Contact the RRCC-WarrenTech liaison at 303-914-6543 or 303-982-5232 for application deadlines and other procedural questions.

WEL - WELDING

More welding courses are offered at WarrenTech. Students attend classes either in the morning (7:30-10:30 M-F) or the afternoon (12:00-3:45 M-TH) for four semesters. Students enroll in specified blocks of classes each semester with instructor approval and may not enroll in individual courses. In order to begin the enrollment process, you must first be accepted by WarrenTech. A WarrenTech application and Accuplacer test results must be submitted to the WarrenTech counseling office. Contact the RRCC-WarrenTech liaison at 303-914-6543 or 303.982.5232 for application deadlines and other procedural questions.
