Hyflex

Students Pay On-Campus Rates | Synchronous & Asynchronous

A highly flexible experience where the course is delivered entirely remotely in real-time, entirely in-person in real-time, or a combination of the two. *Students can either choose their mode of engagement in the class for the day or will be assigned a mode of engagement for that day by the instructor. Labs will require in-person attendance.

Hybrid

Students Pay On-Campus Rates

Class will have some live in-person components, and some online components. The percentage of online versus in-person can vary by class. We will offer two types of hybrid courses:

1. Hybrid In-person and Remote where class will have both scheduled in-person components and scheduled remote components. (*Synchronous*)
2. Hybrid In-person and Online where class will have both scheduled in-person components and some online components. (*Synchronous & Asynchronous*)
