## Admissions Criteria

RRCC welcomes anyone 17 years of age or older, who can benefit from our instructional programs and courses, including high school graduates, non-graduates, or students at least 16 years old who are currently enrolled in a high school Concurrent Enrollment program. Students younger than age 17 who are not in a Concurrent Enrollment program may apply for a waiver of the age requirement through the office of the Vice President for Student Services.

The Director of Enrollment Services reviews any questions regarding admission. Any admission that is based on false statements or documents may be reversed. Credits for classes completed under these circumstances may be revoked. The college may review your enrollment if you do not appear to be profiting from instruction or if your enrollment poses a hazard to yourself or others.

### Admission does not ensure acceptance into a particular course or program.

Some programs have limited space and special admissions procedures. Applicants for these programs must contact the appropriate department.

### To apply for admission online:

1. Go to [www.rrcc.edu](http://www.rrcc.edu).
2. Click on "**Enroll Now**" at the very top of the page and follow directions to complete your application. *(We will attempt to notify you of your status, via email, within three business days.)*

## House Bill-06S-1023

In July 2006, the Colorado State Legislature enacted HB-06S-1023, which became effective on August 1, 2006. This legislation requires all citizens who apply for state-funded benefits that entail any payment or financial assistance provide proof that they are lawfully present in the United States. Non-compliance with this requirement will change you to a non-resident for tuition purposes.

## Student ID #/PIN

Red Rocks Community College assigns you a computer-generated ID which will protect the confidentiality of your social security number, thereby protecting your identity and privacy. You will receive your "S" number after you have applied.

*Do not assume you have been dropped from a class for missing payment deadlines, for not logging in to an online class, or for not attending class; You are responsible for dropping a class before the drop/refund date or you will be responsible for full payment. Effective Spring 2012, if you do not attend any class sessions between the start of the course and the census (drop) date of the course, you may be identified as a "no-show" student by the faculty member and potentially dropped from the course. Being dropped as a no-show student can have significant negative consequences if you are using financial aid and/or veterans benefits. If you are dropped for non-attendance, you will not be permitted back into the course.*

If you are an international student, you need permission from an international student advisor to make any adjustments in your schedule. Financial aid recipients who withdraw or reduce credit hours must consult with a Financial Aid counselor regarding repayment of financial aid funds, if applicable.

## Assessment

If you are a new student, the state of Colorado mandates you take an assessment test for basic skills in reading, sentence skills and mathematics. Accuplacer, the assessment test, helps you and your advisor make appropriate choices.

Students who are working toward a degree within the Colorado Community College system or are under the age 21 must complete the Accuplacer. If you have taken ACT or SAT, please check our Web site to see if your scores exempt you from this requirement. Your Reading and English scores are valid for 5 years; Math scores are only valid for 2 years.

If you have taken college coursework prior to starting classes at RRCC, please bring a transcript from any previous colleges you have attended. This will help an advisor determine if you need to take the Accuplacer.

Study guides for the Accuplacer are available on our Web site and we highly recommend that you review these before taking the test. There is no fee for the first time you take the Accuplacer. If you wish to retest, there is a \$5.00 charge for each repeated subtest.

The Accuplacer placement test is given on a walk-in basis (no appointment necessary) and is not timed. When you plan to test, be sure you have completed an application to RRCC and arrive with a government-issued photo ID at least 2 hours before the Assessment Center closes.

### Colorado Residents

#### • Sign up for the College Opportunity Fund (COF).

COF is a state-funded program that provides a per-credit subsidy for residents attending state-supported and participating private colleges and universities. This money, referred to as the COF stipend, is applied to an in-state student's tuition, provided the student applies for and authorizes its use. The college you are attending will receive the money and it will appear as a tuition credit on your bill. COF rates are set annually by the Colorado General Assembly. Failure to apply for COF or comply with HB1023 could result in your tuition being changed to non-resident. If you do not apply for COF funding, you are responsible for both the student share and the state share of all tuition and fees. (You need to apply for COF only once, and you must authorize its use.) Please review your bill each term to ensure your COF stipend has been correctly applied to your account. <https://cof.college-assist.org>

While you are in The Rock, be sure to activate your student email address. Your student email address is the primary method we will use to communicate with you regarding your student bill. Please feel free to email [cashiers.office@rrcc.edu](mailto:cashiers.office@rrcc.edu) with any questions about your student bill.

### See the calendar on page 3 for payment dates.

Unless you are on a payment plan through AES, payment in full is due no later than the first day of class.

▶ **Do not assume you have been dropped from a class for missing payment deadlines, for not logging in to an online class, or for not attending class; You are responsible for dropping a class before the drop/refund date or you will be responsible for full payment. Effective Spring 2012, if you do not attend any class sessions between the start of the course and the census (drop) date of the course, you may be identified as a "no-show" student by the faculty member and potentially dropped from the course. Being dropped as a no-show student can have significant negative consequences for students using financial aid and/or veterans benefits. Students who are dropped for non-attendance will not be permitted back into the course.**

### You may drop a class online or by email to:

[admissions@rrcc.edu](mailto:admissions@rrcc.edu), or by fax to 303.989.6919. **Drops may NOT be made by phone.**

## Past Due

If your account is past due, you may not register for classes. Past-due accounts will be turned over to a collection agency in accordance with Colorado law, and collection costs will be added to your account balance. Past due accounts not paid by the due date may be subject to interest charges at 8% per year in accordance with Colorado law. Your delinquency will be reported to national credit bureaus. You will not be issued a transcript. The charge for a returned payment is \$25. If your check is returned by your bank, you will be required to pay in cash, by certified funds, or with a credit or debit card, at the Cashier's Office at the Lakewood Campus.

## Monthly Installment Payment Plan

If you are taking at least four credits, you can sign up online for the Installment Tuition Payment Plan. You must enroll in the plan at the beginning of each semester that you would like to pay in installments. Monthly payments may be made using Visa, MasterCard, Discover, American Express, or by automatic withdrawal from a checking or savings account. There is a nonrefundable \$25 enrollment fee for each term in which you enroll. Returned payment charges apply for any payments returned by your bank. Check the Web site at [www.rrcc.edu/tuition](http://www.rrcc.edu/tuition) to familiarize yourself with the plan and to enroll. If you are under 18, your parent or legal guardian must sign.

### When to Apply for the Payment Plan

Your tuition and fees will be divided into multiple payments depending upon when you sign up for the monthly payment plan. You must pay your balance due in full before registering for classes for the following term. Please be sure to keep your budgeted balance up-to-date with the payment plan processor and be sure to check your bill throughout the term to ensure your payments are correctly posted to your student account.

## Financial Aid

All Red Rocks students are encouraged to apply for financial aid. The first step to receive financial aid is to submit a Free Application for Federal Student Aid (FAFSA) for the appropriate academic year.

The process takes 6-8 weeks, so apply early! The results of the FAFSA application will help the Financial Aid Office at Red Rocks Community College determine the type and amount of aid you will be eligible for. We must receive the results of this application before you will be considered for any federal or state financial aid. You are encouraged to check your My Community Education account online for additional requirements and financial aid status.

### How to Submit the FAFSA:

Apply online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) using RRCC's school code of 009543.

You and your parents (if you are considered a dependent student – see FAFSA dependency status questions) may want to apply for a Personal Identification Number (PIN) before starting the application. You will use the PIN to electronically sign it once you finish. The link to apply for a PIN is in the "Before Beginning a FAFSA" section of the FAFSA Web site.

If you need assistance completing the FAFSA, contact the RRCC Financial Aid Office to arrange an appointment with an Educational Opportunity Center (EOC) representative.

Although applications for financial aid can be submitted throughout the year, priority dates have been established so that awarding can be completed before the first day of classes. If you have been awarded financial aid by the first day of classes, you can expect to have the aid credited to your account shortly after the drop/refund date. Any funds remaining after the total bill is paid will be issued to your HigherOne Debit Card.

### To receive aid for:

Spring 2012  
Summer 2012  
Fall 2012

## Weekend College

Need to go to school only on weekends? Check out our course listing of the variety classes available beginning Fridays at 5:00 pm through Sunday. Most weekend classes are also accelerated.

## Accelerated

When your schedule doesn't permit a 15-week class, try one of our accelerated classes. From 10 weeks, to one weekend, you'll find a variety of classes to meet your scheduling needs. Be sure to check-out Weekend College classes for other accelerated options.

## Self-Paced/Flex

Working with an instructor, you'll design your own schedule. Self-paced courses provide a great amount of flexibility and the opportunity to study when you have the most time to study.

## Hybrid

Often called the "best of both worlds," hybrid/flex courses are a mix of methodologies. Often students spend part of their time in the classroom and part of their time online. In other courses, time may be spent in a lab and working from home.

## RRCC Online

Online courses provide Red Rock's students with the opportunity to take classes from home. Students log in to a dedicated server and ask questions of their teachers, share information with fellow students, and complete reading assignments, homework, and tests.

## CCCONline

Colorado Community Colleges Online (CCCONline) provides community colleges throughout the state the ability to offer a wide range of online classes to their students. If you don't find what you need on campus, check out [www.cconline.org](http://www.cconline.org).

**Join  
RRCC** in discovering the

**arts**  
**in EVERYTHING**

*through our Visual and Performing Arts programs and ArtSmart*

**The VPA (Visual and Performing Arts) department showcases an unbelievable variety of courses that offer something for everyone.**

Explore and expand your knowledge in *theatre, dance, photography, drawing, painting, jewelry making, 3D art, music and voice lessons, fine woodworking, engineering graphics, interior design, multimedia/graphic design, journalism*, and much more! Even if you do not plan to major in art, theatre, or music, emphasis in these areas provide an excellent general liberal arts background for many professions, including teaching.

Red Rocks Community College understands that the arts can be found anywhere...sometimes in the least expected places. The ArtSmart Planning Group, the Terry Stevinson family, the RRCC Foundation, and Red Rocks Community College are recognizing the importance of the arts through a year-long celebration and discovery of the arts within our school and community.

Be on the lookout around campus for theatre and concert performances, live elevator music, art exhibits, "art attacks," and many other surprises. We hope you will join us as we explore, appreciate, and celebrate the arts around us.
