RED ROCKS COMMUNITY COLLEGE

Health Care Provider's Certification of Student's Health

(documentation of up-to-date immunizations must accompany this form and be current through the completion of the Internship)

Instructions for Providers:

The person bearing this form is in Phlebotomy or Medical Assisting Program at Red Rocks Community College:

It is necessary for the candidate to demonstrate that he or she is free of any medical conditions that could endanger the health or well-being of patients or other students. Generally, the following tasks are required:

- Ability to be fitted with a respirator mask in case of continued exposure to an airborne pathogen;
- Ability to lift, carry and balance heavy loads;
- Ability to interpret written and oral instructions, calculate weight and volumes ratios, and read small print, all under stressful situations;
- Ability to use good judgment and remain calm in high-stress situations;
- Ability to function efficiently throughout an entire work shift;
- Good manual dexterity, with the ability to perform tasks related to patient care.

At the expense of the student, it is mandatory for the candidate to demonstrate that they do not have any medical conditions that could put the safety or well-being of patients or fellow students at risk. The prospective student will cover the cost of your assessment, so please conduct an interview and physical examination and fill out the form provided below. If you believe the student has a medical condition that could endanger the health of patients, faculty, or students, please discuss the matter with the student (Do Not Sign) and advise them to contact the appropriate Program Director via email: Celina.krumpholz@rrcc.edu.
