Working with an instructor, you'll design your own schedule. Self-paced courses provide a great amount of flexibility and the opportunity to study when you have the most time to study.

Hybrid/Blended Courses

page 81

Hybrid/Blended courses, at RRCC, are courses that combine on-campus classroom instruction with online learning components and/or out-of-class activities. Hybrid/Blended learning is for students who wish to combine the flexibility of face-to-face instruction with activities such as online collaborative discussions, group projects, and/or other out-of-class assignments. In a Hybrid/Blended course, traditional face-to-face instruction will be reduced but not entirely eliminated. Internet access and an email address are required for the online course activities.

RRCC Online Courses

page 85

Online courses provide Red Rock's students with the opportunity to take classes from home. Students log in to a dedicated server and ask questions of their teachers, share information with fellow students, and complete reading assignments, homework, and tests.

CCCONline Courses

Colorado Community Colleges Online (CCCONline) provides community colleges throughout the state the ability to offer a wide range of online classes to their students. If you don't find the course you need on the Lakewood or Arvada campus, visit www.cconline.org.

Lakewood Campus

**13300 W. 6th Avenue
Lakewood, CO 80228-1255
303.914.6600**

Established in 1969, Red Rocks Community College has been providing high quality academic programs for over 40 years. More than 15,000 students per year choose RRCC to get a jump start on a bachelor's degree, earn an associate degree or certificate, update their skills, or enhance their lives. In addition to our campus locations, students can choose from hundreds of online courses. Our top-notch academics have been accredited by the Academic Quality Improvement Program of the North Central Association of Colleges and Schools. Plus specific programs such as Physician Assistant and Early Childhood Education have earned additional accreditation. RRCC courses are taught by highly-skilled instructors who are experts in their fields.

The RRCC campus in Lakewood lies on a 140-acre hillside near 6th Avenue and Indiana Street—minutes from downtown Denver. Not only is our location convenient, the rolling hills of our grounds make for beautiful views and supports an active community. Our campus features a sand volleyball court, combined tennis/basketball court, and a rock climbing wall. In addition, our Student Life department offers something for every interest—Phi Theta Kappa honor society, student government, guest lectures, movies, and dozens of clubs centered around academics, outdoors, culture, and hobbies.

In Fall 2012, the Lakewood campus opened a student health clinic, staffed by Physician and Medical Assistants. And in 2013, the RTD Light Rail West Line completed a stop near the campus at the 6th Avenue Service Road and Arbutus Drive.

► Waitlist Registration

Waitlisting will be available for:

- Spring, full-term courses
- Spring, session 1 and session 2 accelerated courses

When a space becomes available in the waitlisted course, the first student on the waitlist will receive an automated email from RRCC to his/her school-issued email account with the notification that a space is now available. The student then has a 24 hour window in which to register for the course. If the student does not register for the course within the 24 hour window, he/she will be dropped from the waitlist and the next student on the waitlist will receive a notification email.

For more information, please visit the waitlist FAQ's at: www.rrcc.edu/admissions/waitlist

It is critical that you have your student email account activated and that you are actively monitoring it during the waitlist process. Your student email can be easily accessed through our student portal "The Rock."

For more information on your student email account, go to: www.rrcc.edu/admissions/student-email

Drop and Withdraw Dates

All adds, drops, and withdrawals must be initiated in Admissions or by students online. Drop and withdrawal dates can be found by following these steps:

1. Go to www.rccc.edu
2. Click on "The Rock"
3. Enter your **Student Number**
4. Enter your password. If you do not remember your password, click on Forgot password? in the "Need Help?" area of the log in window.
5. Click on the **Student tab**
6. Under Registration Tools, click on: **Detailed Student Schedule (with drop & withdrawal dates)**
7. When you are done, close the Add or Drop Classes tab on your browser. This will return you to the Student tab on "The Rock."

▶ **Failure to officially drop or withdraw may result in a failing grade for the class. You will also be responsible for full payment of the class.**

To Drop or Withdraw From a Class Online

1. Go to www.rccc.edu
2. Click on "The Rock"
3. Enter your **Student Number**
4. Enter your password. If you do not remember your password, click on Forgot password? in the "Need Help?" area of the log in window.
5. Click on the **Student tab**
6. Under Registration Tools, click on Add or Drop Classes
7. Select the appropriate term, and click "**Submit**"
8. Follow directions at the top of the page.
9. When you are done, close the Course Schedule Detail tab on your browser. This will return you to the Student tab on "The Rock."

▶ **NOTICE: You must drop a class by the drop date deadline in order to initiate a refund. Once the drop date has passed, you will only be able to withdraw from the class. A withdrawal will result in a "W" grade on your transcript and you will be responsible for full payment of the class. You must withdraw by the deadline associated with the class. Otherwise, you will receive a grade which will be included on your transcript and in your grade point average calculation.**

Do not assume you have been dropped from a class for missing payment deadlines. You are responsible for dropping a class before the drop/refund date or you will be responsible for full payment. If you do not attend any class sessions between the start of the course and the census (drop) date of the course, you may be identified as a "no-show" student by the faculty member and potentially dropped from the course. Being dropped as a no-show student can have significant negative consequences if you are receiving financial aid and/or veterans benefits. If you are dropped for non-attendance, you will not be permitted back into the course.

If you are an international student, you need permission from an international student advisor to make any adjustments in your schedule. Financial aid recipients who withdraw or reduce credit hours must consult with a Financial Aid counselor regarding repayment of financial aid funds, if applicable.

Steps for Total Withdrawal from RRCC

Students withdrawing from all courses for which they are registered are considered to be 'withdrawn' from the college for that semester. Your student records remain active for three consecutive semesters, after which your status is considered 'inactive'. Should you decide that a 'total withdrawal' is your only option, the following steps outline the procedure for withdrawing from all of your courses within a semester:

- Go to www.rccc.edu
- Click on "Admissions"
- Click on "Total Withdrawal from All Classes at RRCC"
- Complete the Total Withdrawal Process by completing each field and clicking that you have read each advisement offered. (Each advisement explains the possible ramifications of total withdrawal from your classes). You may also complete a paper copy which you would present to Admissions.
- Click "Submit Form"
- Upon receipt of the electronically-signed form, the Admissions Office staff will finalize the total withdrawal process for you.

Assessment

Students who are working toward a degree within the Colorado Community College system, or wanting to transfer guaranteed-transfer courses to a four-year college, or are under the age of 20 must complete the Accuplacer placement test or provide exemption documentation. The results will help you and your advisor make appropriate choices.

The placement test is given on a walk-in basis on either campus (no appointment necessary) and is not timed. You must have applied and received a student identification number prior to taking the test and bring a government-issued photo ID at least two hours before the Assessment Center closes. We strongly recommend you review the online study guides available prior to taking the test. The study guides can be found at www.rccc.edu/assessment. Your placement score is an indication of the level of coursework you are ready to take. You are responsible for enrolling in basic skills courses during your first 30 credit hours of attendance if your assessment scores are below college level.

See Strengthening Your Skills at: www.rccc.edu/college-prep.

High School Students

Participating in the Concurrent Enrollment Program

High school students can get a jump start on college by taking RRCC classes. Concurrent Enrollment is a program that allows RRCC to partner with school districts to offer college classes to high school students. High school students enrolling under the Concurrent Enrollment program need to complete the following steps:

1. Meet with their High School Counselor
2. Complete the RRCC, College Opportunity Fund and Concurrent Enrollment Applications.
3. Complete the RRCC placement test or provide ACT or SAT scores that meet the minimum requirement.
4. Visit with an RRCC High School Relations advisor.

Registration dates and time will be scheduled for students who have completed the Concurrent Enrollment Agreement and are approved by the school district to take RRCC classes. Check with your school district for information related to tuition and fees. Concurrent Enrollment students who take classes on the RRCC campus must sign the Student Payment Agreement. Tuition may be paid by school district but student may be responsible for fees. If the student is under 18, a parent or guardian must also sign the payment agreement.

Not participating in the Concurrent Enrollment Program

Students need to complete the following steps:

1. Complete a new student application for admission and sign up for the College Opportunity Fund (COF).
2. Complete the RRCC assessment test or provide ACT/SAT scores that meet the minimum requirement.
3. Meet with a representative from High School Relations to register for classes.
4. Pay for tuition, student fees, books, and supplies. Students who take classes not covered by Concurrent Enrollment with their school district must sign the Student Payment Agreement. If the student is under 18, a parent or guardian must also sign the payment agreement.

Students under the age of 17 are required to submit a Request for Waiver of Admissions Requirements for Underage Students. Call the Office of the VP of Student Success at 303.914.6388 to begin the process.

Western Undergraduate Exchange

WUE is a program of the Western Interstate Commission for Higher Education (WICHE). Students who are residents of WICHE states or the Commonwealth of the Northern Marianas Islands (CNMI) may enroll at participating two and four-year college programs outside of their home state or territory at a reduced tuition rate. WICHE states include Alaska, Arizona, California, Colorado, Commonwealth of Northern Marianas Islands, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington, and Wyoming. If you're a resident of a WICHE state or CNMI, you can study at RRCC or any one of the 135+ participating schools in the west and pay reduced tuition. Please see restrictions below:

- WUE/WICHE students are not eligible to participate in the College Opportunity Fund (COF) program.
- A student participating in the WUE/WICHE program may not use the time in Colorado to fulfill the physical presence requirement for in-state tuition.
- The Physician Assistant (PA) program is not available for this program, but PA students may qualify for the Professional Student Exchange Program (PSEP), which enables students to enroll in selected out-of-state professional programs because those fields of study are not available at public institutions in their home states. Please note that residents of California, Oregon and South Dakota are not eligible to enroll through PSEP. Information is available at www.wiche.edu/psep.

Colorado state law defines the conditions that qualify you for in-state tuition. Your initial classification is based on information you supply on the Application for Admission. You must live in the state of Colorado for 12 consecutive months before you can apply for reclassification to resident status. The Petition for Residency Reclassification is available in the Admissions Office and online at www.rccc.edu/tuition. The deadline for a change in status for Spring 2015 is 2/4/15.

Colorado Residents

*Sign up for the College Opportunity Fund (COF).

COF is a state-funded program that provides a per-credit subsidy for residents attending state-supported and participating private colleges and universities. This money, referred to as the COF stipend, is applied to an

in-state student's tuition, provided the student applies for and authorizes its use. The college you are attending will receive the money and it will appear as a tuition credit on your bill. COF rates are set annually by the Colorado General Assembly. If you do not apply for COF funding, you are responsible for both the student share and the state share of all tuition and fees. (You need to apply for COF only once, and you must authorize its use.) Please review your bill each term to ensure your COF stipend has been correctly applied to your account. <https://cof.college-assist.org>

The Arvada campus does not accept student tuition and fee payments. If you are sponsored by a third party, such as an employer or other agency, bring a check to the Cashier's Office from the sponsor or a letter stating that the sponsor will pay upon receipt of billing and before grades are released. Scholarships which have been awarded will be posted to your student account. Scholarships payable to international students have specific IRS requirements. If you are an international student a portion of your scholarship may be withheld to pay US federal taxes.

Pay by mail: Be sure to list the student S# and full student name on the check or money order.

Mail a check or money order to:
Red Rocks Community College
Cashier's Office, Box 2
13300 W. 6th Ave., Lakewood, CO 80228-1255

Pay online: Go to www.rccc.edu and log in to "The Rock" using your student ID#. Click the Student Finance tab and under Payment Options, choose the "Pay online with a credit card" link. Only MasterCard and VISA are accepted online. To pay with American Express or Discover, please contact the Cashier's Office at 303.914.6222.

Billing and Payment Dates

DO NOT WAIT FOR A BILL. Your student bill is available online on demand in the portal. Log in to "The Rock" using your student ID#. While you are in The Rock, be sure to activate your student email address. Your student email address is the primary method we will use to communicate with you regarding your student bill. Please feel free to email cashiers.office@rccc.edu with any questions about your student bill.

See the Calendar page for payment dates.

Unless you are on a payment plan through AES, payment in full is due no later than the first day of class.

► **Do not assume you have been dropped from a class for missing payment deadlines. You are responsible for dropping a class before the drop/refund date or you will be responsible for full payment. If you do not attend any class sessions between the start of the course and the census (drop) date of the course, you may be identified as a "no-show" student by the faculty member and potentially dropped from the course. Being dropped as a no-show student can have significant negative consequences for students using financial aid and/or veterans benefits. Students who are dropped for non-attendance will not be permitted back into the course.**

You may drop a class online or by emailing admissions@rccc.edu, or by fax to 303.989.6919. **Drops may NOT be made by phone.**

Past Due Accounts

If your account is past due, you may not register for classes.

Past-due accounts will be turned over to a collection agency in accordance with Colorado law, and collection costs will be added to your account balance. Past due accounts not paid by the due date may be subject to interest charges at 8% per year in accordance with Colorado law. Your delinquency will be reported to national credit bureaus. You will not be issued a transcript. The charge for a returned payment is \$25. If your check is returned by your bank, you will be required to pay in cash, by certified funds, or with a credit or debit card, at the Cashier's Office at the Lakewood Campus.

Monthly Installment Payment Plan

If you are taking at least four credits, you can sign up online for the Installment Tuition Payment Plan. You must enroll in the plan at the beginning of each semester that you would like to pay in installments. Monthly payments may be made using Visa, MasterCard, Discover, American Express, or by automatic withdrawal from a checking or savings account. There is a nonrefundable \$25 enrollment fee for each term in which you enroll. Returned payment charges apply for any payments returned by your bank. Check the website at www.rccc.edu/tuition to familiarize yourself with the plan and to enroll. If you are under 18, your parent or legal guardian must sign. Students who pay in multiple installments, without signing up for an official payment plan online, will still be charged a \$25 nonrefundable, payment plan fee.

When to Apply for the Payment Plan

Your tuition and fees will be divided into multiple payments depending upon when you sign up for the monthly payment plan. You must pay your balance due in full before registering for classes for the following term. Please be sure to keep your budgeted balance up-to-date with the payment plan processor and be sure to check your bill throughout the term to ensure your payments are correctly posted to your student account.

- Only classes dropped by the course drop/refund date are eligible for refund.

► **Do not assume you will be dropped for missing payment deadlines.**

You are responsible for dropping your classes. Drop dates may vary by class. Please review the schedule to ensure you know the specific date applicable to each course in which you are enrolled. If you do not drop your class by the date noted in the schedule, you are responsible for the full cost of the course.

- If a course is cancelled by the college, you are eligible for a 100 percent refund of tuition and fees. Your refund will be issued as noted above.
- Please check with the Bookstore regarding any textbook refunds.

Financial Aid

All Red Rocks students are encouraged to apply for financial aid. The first step to receive financial aid is to submit a Free Application for Federal Student Aid (FAFSA) for the appropriate academic year.

The process takes 6-8 weeks, so apply early! The results of the FAFSA application will help the Financial Aid Office at Red Rocks Community College determine the type and amount of aid you will be eligible for. We must receive the results of this application before you will be considered for any federal or state financial aid. You are encouraged to check your My Community Education account online for additional requirements and financial aid status.

How to Submit the FAFSA:

Apply online at www.fafsa.ed.gov using RRCC's school code of **009543**.

You and your parents (if you are considered a dependent student – see FAFSA dependency status questions) may want to apply for a Personal Identification Number (PIN) before starting the application. You will use the PIN to electronically sign it once you finish. The link to apply for a PIN is in the "Before Beginning a FAFSA" section of the FAFSA website.

If you need assistance completing the FAFSA, contact the RRCC Financial Aid Office to arrange an appointment with an Educational Opportunity Center (EOC) representative.

Although applications for financial aid can be submitted throughout the year, priority dates have been established so that awarding can be completed before the first day of classes. If you have been awarded financial aid by the first day of classes, you can expect to have the aid credited to your account shortly after the drop/refund date. Any funds remaining after the total bill is paid will be issued to your Higher One refund Card.

Emergency Notifications

Emergency Notification Settings for Students and Staff

Students and staff have the option to be included in the Emergency Alert Notification List when emergency conditions or bad weather require either of the Red Rocks campuses to be closed. The notification settings can be found under the Welcome tab at "The Rock." Please enter the phone number(s) you would like to include in the Emergency Alert Notification List. In the event of a campus closure due to weather or an emergency due to an imminent threat, you will be notified immediately. You may update your phone numbers at any time.

If either campus is to be closed for an entire day, every effort will be made to reach a decision by 5:30 a.m. If a campus is to close for the evening, every effort will be made to have a decision by 4:00 p.m.

As an expanded way to communicate during emergencies, Red Rocks provides text-messaging notification. Text messaging will

only be used to communicate our emergency messages. In order to receive an emergency text message, you must request or opt-in to the program, and you must have elected text messaging as an option from your phone service provider. If you would like to receive text messages from Red Rocks for emergency messages, check the box. By checking the box, you are agreeing to all charges incurred by your phone service provider.

Weekend College

Need to go to school only on weekends? Check out our course listing of the variety classes available beginning Fridays at 5:00 pm through Sunday. Most weekend classes are also accelerated.

Accelerated

When your schedule doesn't permit a 15-week class, try one of our accelerated classes. From 10 weeks, to one weekend, you'll find a variety of classes to meet your scheduling needs. Be sure to check-out Weekend College classes for other accelerated options.

Self-Paced/Flex

Working with an instructor, you'll design your own schedule. Self-paced courses provide a great amount of flexibility and the opportunity to study when you have the most time to study.

Hybrid/Blended

Courses that combine on-campus classroom instruction with online learning components and/or out-of-class activities. Hybrid/Blended learning is for students who wish to combine the flexibility of face-to-face instruction with activities such as online collaborative discussions, group projects, and/or other out-of-class assignments. In a Hybrid/Blended course, traditional face-to-face instruction will be reduced but not entirely eliminated. Internet access and an email address are required for the online course activities.

RRCC Online

Online courses provide Red Rock's students with the opportunity to take classes from home. Students log in to a dedicated server and ask questions of their teachers, share information with fellow students, and complete reading assignments, homework, and tests.

CCCONline

Colorado Community Colleges Online (CCCONline) provides community colleges throughout the state the ability to offer a wide range of online classes to their students. If you don't find what you need on campus, check out www.cconline.org.
