Introducing RRCC Learning Communities

Now there is an easy and innovative way to increase fundamental skills while completing your general education or degree requirements. The Learning Community program at Red Rocks Community College links the content of two related courses – a required general education course with a related course in your program – so learning becomes more relevant and easier for you. Learning Communities provide a great support network of instructors and classmates.

➤ Keep an eye out each semester for more courses offered through the Learning Communities program.

Example of a Learning Community:

Calculations and Water Measurements

WQM105003 – Specific Calculations for WQM
MAT099010 – Intermediate Algebra

Complete the requirements of MAT 099 through the study of water quality management. Equations, polynomials, quadratic equations and rational exponents will be tied to water and wastewater treatment. Topics include velocities, surface loading, filtration and backwash rates, disinfection and chemical dosage, and activated sludge.

Other Fall 2012 Learning Communities

Lakewood Campus

13300 W. 6th Avenue
Lakewood, CO 80228-1255
303.914.6600

Established in 1969, Red Rocks Community College has been providing high quality academic programs for over 40 years. More than 15,000 students per year choose RRCC to get a jump start on a bachelor's degree, earn an associate degree or certificate, update their skills, or enhance their lives. In addition to our campus locations, students can choose from hundreds of online courses.

Our top-notch academics have been accredited by the Academic Quality Improvement Program of the North Central Association of Colleges and Schools. Plus specific programs such as Physician Assistant and Early Childhood Education have earned additional accreditation. RRCC courses are taught by highly-skilled instructors who are experts in their fields.

The RRCC main campus in Lakewood lies on a 140-acre hillside near 6th Avenue and Indiana Street—minutes from downtown Denver. Not only is our location convenient, the rolling hills of our grounds make for beautiful views and supports an active community. Our campus features a skateboarding half pipe, sand volleyball court, combined tennis/basketball court, and a rock climbing wall. In addition, our Student Life department offers something for every interest—Phi Theta Kappa honor society, student government, guest lectures, movies, and dozens of clubs centered around academics, outdoors, culture, and hobbies.

In Fall 2012, the Lakewood campus will open a student health clinic, staffed by Physician and Medical Assistants. And in 2013, the RTD Light Rail West Line will complete a stop near the campus at the 6th Avenue Service Road and Arbutus Drive.

Admissions Criteria

RRCC welcomes anyone 17 years of age or older, who can benefit from our instructional programs and courses, including high school graduates, non-graduates, or students at least 16 years old who are currently enrolled in a high school Concurrent Enrollment program. Students younger than age 17 who are not in a Concurrent Enrollment program may apply for a waiver of the age requirement through the office of the Vice President for Student Services.

The Director of Enrollment Services reviews any questions regarding admission. Any admission that is based on false statements or documents may be reversed. Credits for classes completed under these circumstances may be revoked. The college may review your enrollment if you do not appear to be profiting from instruction or if your enrollment poses a hazard to yourself or others.

Admission does not ensure acceptance into a particular course or program.
Some programs have limited space and special admissions procedures. Applicants for these programs must contact the appropriate department.

4. Enter your password. If you do not remember your password, click on Forgot password? in the "Need Help?" area of the log in window.

Do not assume you have been dropped from a class for missing payment deadlines. ***You*** *are responsible for dropping a class before the drop/refund date or you will be responsible for full payment. Effective Spring 2012, if you do not attend any class sessions between the start of the course and the census (drop) date of the course, you may be identified as a "no-show" student by the faculty member and potentially dropped from the course. Being dropped as a no-show student can have significant negative consequences if you are using financial aid and/or veterans benefits. If you are dropped for non-attendance, you will not be permitted back into the course.*

If you are an international student, you need permission from an international student advisor to make any adjustments in your schedule. Financial aid recipients who withdraw or reduce credit hours must consult with a Financial Aid counselor regarding repayment of financial aid funds, if applicable.

Assessment

If you are a new student, the state of Colorado mandates you take an assessment test for basic skills in reading, sentence skills and mathematics. Accuplacer, the assessment test, helps you and your advisor make appropriate choices.

Students who are working toward a degree within the Colorado Community College system or are under the age 21 must complete the Accuplacer. If you have taken ACT or SAT, please check our Web site to see if your scores exempt you from this requirement. Your Reading and English scores are valid for 5 years; Math scores are only valid for 2 years.

If you have taken college coursework prior to starting classes at RRCC, please bring a transcript from any previous colleges you have attended. This will help an advisor determine if you need to take the Accuplacer.

Study guides for the Accuplacer are available on our Web site and we highly recommend that you review these before taking the test. There is no fee for the first time you take the Accuplacer. If you wish to retest, there is a $5.00 charge for each repeated subtest.

The Accuplacer placement test is given on a walk-in basis (no appointment necessary) and is not timed. When you plan to test, be sure you have completed an application to RRCC and arrive with a government-issued photo ID at least 2 hours before the Assessment Center closes.

Western Undergraduate Exchange

The Western Undergraduate Exchange (WUE) is a program of the Western Interstate Commission for Higher Education (WICHE). Students who are residents of WICHE states may enroll at over 135 participating two- and four-year college programs outside of their home state at a reduced tuition rate. WICHE states include Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington, and Wyoming. This is a great way for students to study at RRCC, but there are some restrictions:

• WUE/WICHE students are not eligible to participate in the College Opportunity Fund (COF).

• A student participating in the WUE/WICHE program may not use the time in Colorado to fulfill the physical presence requirement for in-state tuition.

• WUE participants must comply with HB-06S-1023 by proving lawful presence in the United States. See the Tuition and Fees page in this schedule for details on WUE/WICHE rates.

• The Physician Assistant (PA) program is not available for this program but PA students may qualify for the Professional Student Exchange Program (PSEP) which enables students to enroll in selected out-of-state professional programs usually because those fields of study are not available at public institutions in their home states. Please note that residents of California, Oregon and South Dakota are not eligible to enroll through PSEP. Information is available at **www.wiche.edu/psep**.

Colorado state law defines the conditions that qualify you for in-state tuition. Your initial classification is based on information you supply on the Application for Admission. You must live in the state of Colorado for 12 consecutive months before you can apply for reclassification to resident status. The Petition for Residency Reclassification is available in the Admissions Office. The deadline for a change in status for Summer 2012 is June 12, 2012, and for Fall 2012 is September 5, 2012.

Colorado Residents

• Sign up for the College Opportunity Fund (COF).

COF is a state-funded program that provides a per-credit subsidy for residents attending state-supported and participating private colleges and universities. This money, referred to as the COF stipend, is applied to an in-state student's tuition, provided the student applies for and authorizes its use. The college you are attending will receive the money and it will appear as a tuition credit on your bill. COF rates are set annually by the Colorado General Assembly. Failure to apply for COF or comply with HB1023 could result in your tuition being changed to non-resident. If you do not apply for COF funding, you are responsible for both the student share and the state share of all tuition and fees. (You need to apply for COF only once, and you must authorize its use.) Please review your bill each term to ensure your COF stipend has been correctly applied to your account. https://cof.college-assist.org

Methods of Payment

In person: You can pay by cash, personal check, MasterCard, Visa, Discover Card, or American Express at the Cashier's Office at the Lakewood campus; the Arvada campus does not accept in-person payments. If you are sponsored by a third party, such as an employer or other agency, bring a check to the Cashier's Office from the sponsor or a letter stating that the sponsor will pay upon receipt of billing and before grades are released. Scholarships which have been awarded will be posted to your student account. Scholarships payable to international students have specific IRS requirements. If you are an international student a portion of your scholarship may be withheld to pay US federal taxes.

By mail: Be sure to list the student S# and full student name on the check or money order. Mail a check or money order to:

Red Rocks Community College
Cashier's Office, Box 2
13300 W. 6th Ave., Lakewood, CO 80228-1255

To pay online: Go to www.rrcc.edu and log in to "The Rock" using your student ID#. Click the Student Finance tab and under Payment Options, choose the "Pay online with a credit card" link. Only MasterCard and VISA are accepted online. To pay with American Express or Discover, please contact the Cashier's Office at 303.914.6222.

Billing and Payment Dates

DO NOT WAIT FOR A BILL. Your student bill is available online on demand in the portal. Log in to "The Rock" using your student ID#. While you are in The Rock, be sure to activate your student email address. Your student email address is the primary method we will use to communicate with you regarding your student bill. Please feel free to email cashiers.office@rrcc.edu with any questions about your student bill.

See the calendar on page 4 for payment dates.
Unless you are on a payment plan through AES, payment in full is due no later than the first day of class.

Do not assume you have been dropped from a class for missing payment deadlines. You are responsible for dropping a class before the drop/refund date or you will be responsible for full payment. Effective Spring 2012, if you do not attend any class sessions between the start of the course and the census (drop) date of the course, you may be identified as a "no-show" student by the faculty member and potentially dropped from the course. Being dropped as a no-show student can have significant negative consequences for students using financial aid and/or veterans benefits. Students who are dropped for non-attendance will not be permitted back into the course.

You may drop a class online or email admissions@rrcc.edu, or by fax to 303.989.6919. **Drops may NOT be made by phone.**

Past Due

If your account is past due, you may not register for classes. Past-due accounts will be turned over to a collection agency in accordance with Colorado law, and collection costs will be added to your account balance. Past due accounts not paid by the due date may be subject to interest charges at 8% per year in accordance with Colorado law. Your delinquency will be reported to national credit bureaus. You will not be issued a transcript. The charge for a returned payment is $25. If your check is returned by your bank, you will be required to pay in cash, by certified funds, or with a credit or debit card, at the Cashier's Office at the Lakewood Campus.

Monthly Installment Payment Plan

If you are taking at least four credits, you can sign up online for the Installment Tuition Payment Plan. You must enroll in the plan at the beginning of each semester that you would like to pay in installments. Monthly payments may be made using Visa, MasterCard, Discover, American Express, or by automatic withdrawal from a checking or savings account. There is a nonrefundable $25 enrollment fee for each term in which you enroll. Returned payment charges apply for any payments returned by your bank. Check the Web site at www.rrcc.edu/tuition to familiarize yourself with the plan and to enroll. If you are under 18, your parent or legal guardian must sign.

When to Apply for the Payment Plan

Your tuition and fees will be divided into multiple payments depending upon when you sign up for the monthly payment plan. You must pay your balance due in full before registering for classes for the following term. Please be sure to keep your budgeted balance up-to-date with the payment plan processor and be sure to check your bill throughout the term to ensure your payments are correctly posted to your student account.

Refund Policy

• Refunds of payments made by credit card are first refunded to the original payment credit card.
• All remaining refunds are processed according to the refunding preference you selected on the HigherOne Web site.
• Through HigherOne, you may select an electronic deposit to your existing checking or savings account or you may choose to set up a new bank account with HigherOne. You may also choose to receive a paper check in the mail directly from Higher One, at your address on record with Admissions. Be sure to keep your address up to date.
• If you do not choose a refunding preference, you will receive your refund via paper check mailed to your address on file with RRCC, approximately 21 days after your batch refund posts to your student account.
• For more information about the HigherOne refunding process, check out: www.rrcc.edu/tuition/refund.htm .

• Only classes dropped by the course drop/refund date are eligible for refund.

Do not assume you will be dropped for missing payment deadlines.

You are responsible for dropping your classes. Drop dates may vary by class. Please review the schedule to ensure you know the specific date applicable to each course in which you are enrolled. If you do not drop your class by the date noted in the schedule, you are responsible for the full cost of the course.

• If a course is cancelled by the college, you are eligible for a 100 percent refund of tuition and fees. Your refund will be issued as noted above.
• Please check with the Bookstore regarding any textbook refunds.

Financial Aid

All Red Rocks students are encouraged to apply for financial aid. The first step to receive financial aid is to submit a Free Application for Federal Student Aid (FAFSA) for the appropriate academic year.

The process takes 6-8 weeks, so apply early! The results of the FAFSA application will help the Financial Aid Office at Red Rocks Community College determine the type and amount of aid you will be eligible for. We must receive the results of this application before you will be considered for any federal or state financial aid. You are encouraged to check your My Community Education account online for additional requirements and financial aid status.

How to Submit the FAFSA:
Apply online at **www.fafsa.ed.gov** using RRCC's school code of 009543.

You and your parents (if you are considered a dependent student – see FAFSA dependency status questions) may want to apply for a Personal Identification Number (PIN) before starting the application. You will use the PIN to electronically sign it once you finish. The link to apply for a PIN is in the "Before Beginning a FAFSA" section of the FAFSA Web site.

If you need assistance completing the FAFSA, contact the RRCC Financial Aid Office to arrange an appointment with an Educational Opportunity Center (EOC) representative.

Although applications for financial aid can be submitted throughout the year, priority dates have been established so that awarding can be completed before the first day of classes. If you have been awarded financial aid by the first day of classes, you can expect to have the aid credited to your account shortly after the drop/refund date. Any funds remaining after the total bill is paid will be issued to your HigherOne Debit Card.

Learning Communities

Weekend College
Need to go to school only on weekends? Check out our course listing of the variety classes available beginning Fridays at 5:00 pm through Sunday. Most weekend classes are also accelerated.

Accelerated
When your schedule doesn't permit a 15-week class, try one of our accelerated classes. From 10 weeks, to one weekend, you'll find a variety of classes to meet your scheduling needs. Be sure to check-out Weekend College classes for other accelerated options.

Self-Paced/Flex
Working with an instructor, you'll design your own schedule. Self-paced courses provide a great amount of flexibility and the opportunity to study when you have the most time to study.

Hybrid
Often called the "best of both worlds," hybrid/flex courses are a mix of methodologies. Often students spend part of their time in the classroom and part of their time online. In other courses, time may be spent in a lab and working from home.

RRCC Online
Online courses provide Red Rock's students with the opportunity to take classes from home. Students log in to a dedicated server and ask questions of their teachers, share information with fellow students, and complete reading assignments, homework, and tests.

CCCOnline
Colorado Community Colleges Online (CCCOnline) provides community colleges throughout the state the ability to offer a wide range of online classes to their students. If you don't find what you need on campus, check out www.ccconline.org.

What is a Learning Community?

Learning Communities at Red Rocks Community College allow you to start or continue your educational program by linking two courses. Faculty who teach these courses work together to combine the content so learning becomes more relevant and easier for you. For example, you can be part of a community that combines English and history or technical math and fire science. Equally important, learning communities provide a great support network of instructors and classmates. Each semester, the Learning Community program includes many linked or paired courses, providing you a friendly and innovative way to take courses that increase your fundamental skills and add to completion of your general education or degree requirements.
