## Admissions Criteria

RRCC welcomes anyone 17 years of age or older, who can benefit from our instructional programs and courses, including high school graduates, non-graduates, or students at least 16 years old who are currently enrolled in a high school concurrent enrollment program. Students younger than age 17 who are not in a concurrent enrollment program may apply for a waiver of the age requirement through the office of the Vice President for Student Services.

The Director of Enrollment Services reviews any questions regarding admission. Any admission that is based on false statements or documents may be reversed. Credits for classes completed under these circumstances may be revoked. The college may review your enrollment if you do not appear to be profiting from instruction or if your enrollment poses a hazard to yourself or others.

In July 2006, the Colorado State Legislature enacted HB-06S-1023, which became effective on August 1, 2006. This legislation requires all citizens who apply for state-funded benefits that entail any payment or financial assistance provide proof that they are lawfully present in the United States. Non-compliance with this requirement will change you to a non-resident for tuition purposes.

## Assessment

If you are a new student, the state of Colorado mandates you take an assessment test for basic skills in reading, sentence skills and mathematics. Accuplacer, the assessment test, helps you and your advisor make appropriate course choices. Students who have graduated from or attended a Colorado public or private high school (or its equivalent) during the past two years or students who will be working toward a degree within the Colorado Community College System must complete the Accuplacer. If you have taken ACT or SAT, please check our Web site to see if your scores exempt you from this requirement. Your Reading and English scores are good for 5 years; However, Math scores are only good for 2 years.

If you have taken college coursework prior to starting classes at RRCC, please bring a transcript showing the coursework. An academic advisor will help you determine if you need to take the Accuplacer.

Study guides for the Accuplacer are available on our Web site and we highly recommend that you review these before taking the test. There is no fee for the first time you take the Accuplacer. If you wish to retest, there is a \$5.00 charge for each repeated subtest.

When you plan to test, please be sure you have completed an application to RRCC and bring a state or federal issued picture ID with you; no appointment is necessary. The Accuplacer takes approximately 90 minutes, although you may take as long as you need to complete the test. The start times for testing are listed below.

Colorado state law defines the conditions that qualify you for in-state tuition. Your initial classification is based on information you supply on the Application for Admission. You must live in the state of Colorado for 12 consecutive months before you can apply for reclassification to resident status. The Petition for Residency Reclassification is available in the Admissions Office. The deadline for a change in status for the spring 2011 semester is February 2.

### Colorado Residents

#### Sign up for the College Opportunity Fund (COF).

COF is a state-funded program that provides a per-credit subsidy for residents attending state-supported and participating private colleges and universities. This money, referred to as the COF stipend, is applied to an in-state student's tuition, provided the student applies for and authorizes its use. The college you are attending will receive the money and it will appear as a tuition credit on your bill. COF Rates are set annually by the Colorado General Assembly. Failure to apply for COF or comply with HB1023 could result in your tuition being changed to non-resident. **If you do not apply for COF funding, you are responsible for both the student share and the state share of all tuition and fees. (You need to apply for COF only once, and you must authorize it's use.)** Please review your bill each term to ensure your COF stipend has been correctly applied to your account. <https://cof.college-assist.org>

***Do not assume you have been dropped from a class for missing payment deadlines, for not logging in to an online class, or for not attending class; you must ensure that you drop a class before the drop/refund date or you will be responsible for full payment.***

You may drop a class online by an email to: [admissions@rrcc.edu](mailto:admissions@rrcc.edu), or by fax to 303.989.6457.

Your delinquency will be reported to national credit bureaus. You will not be issued a transcript. The charge for a returned payment is \$25. If your check is returned by your bank, you will be required to pay in cash, by certified funds, or with a credit card, at the Cashier's Office at the Lakewood Campus.

## Monthly Installment Payment Plan

If you are taking at least four credits, you can sign up online for the Installment Tuition Payment Plan. You must enroll in the plan at the beginning of each semester that you would like to pay in installments. Monthly payments may be made using Visa, MasterCard, Discover, American Express, or by automatic withdrawal from a checking or savings account. There is a nonrefundable \$25 enrollment fee for each term in which you enroll. Returned payment charges apply for any payments returned by your bank. Check the Web site at [www.rrcc.edu/tuition](http://www.rrcc.edu/tuition) to familiarize yourself with the plan and to enroll. If you are under 18, your parent or legal guardian must sign.

### When to Apply for the Payment Plan

Your tuition and fees will be divided into multiple payments depending upon when you sign up for the monthly payment plan. You must pay your balance due in full before registering for classes for the following term. Please be sure to keep your budgeted balance up-to-date with the payment plan processor and be sure to check your bill throughout the term to ensure your payments are correctly posted to your student account.

## Financial Aid

All Red Rocks students are encouraged to apply for financial aid. The first step to receive financial aid is to submit a Free Application for Federal Student Aid (FAFSA) for the appropriate academic year.

The process takes 6-8 weeks, so apply early! The results of the FAFSA application will help the Financial Aid Office at Red Rocks Community College determine the type and amount of aid you will be eligible for. We must receive the results of this application before you will be considered for any federal or state financial aid. You are encouraged to check your My Community Education account online for additional requirements and financial aid status.

### How to Submit the FAFSA:

Apply online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) using RRCC's school code of 009543.

You and your parents (if you are considered a dependent student – see FAFSA dependency status questions) may want to apply for a Personal Identification Number (PIN) before starting the application. You will use the PIN to electronically sign it once you finish. The link to apply for a PIN is in the "Before Beginning a FAFSA" section of the FAFSA Web site.

If you need assistance completing the FAFSA, contact the RRCC Financial Aid Office to arrange an appointment with an Educational Opportunity Center (EOC) representative.

Although applications for financial aid can be submitted throughout the year, priority dates have been established so that awarding can be completed before the first day of classes. If you have been awarded financial aid by the first day of classes, you can expect to have the aid credited to your account shortly after the drop/refund date. Any funds remaining after the total bill is paid will be issued to your HigherOne Debit Card.

### To receive aid for:

Spring 2011  
Summer 2011  
Fall 2011  
Spring 2012

### Apply by:

Sept. 1, 2010  
Feb. 1, 2011  
April 1, 2011  
Sept. 1, 2011

You must apply for admission to RRCC to be eligible for financial aid. You will be notified by mail about your financial aid status.

*The Red Rocks Financial Aid Department will work with you personally to insure you receive all the financial aid for which you are qualified.*

There is a growing demand for professionals to implement, manage, and use electronic medical records. RRCC's new certificate programs deliver relevant skills that you can use immediately, and build on the health or IT skills you already have.

Funded by the Office of the National Coordinator for Health IT  
U.S. Department of Health and Human Services  
ARRA Grant # 90CC07701

Choose  
from two  
certificates:

### Health IT Implementation Support: 20.5 – 21.5 credits

Workers in this role provide on-site user support for the period of time before and during implementation of health IT systems in clinical and public health settings. These individuals provide support services to be sure the technology functions properly and is configured to meet the needs of the redesigned practice workflow.

### Health IT Technical Support: 12.5 – 14.5 credits

Workers in this role support on an ongoing basis the technology deployed in clinical and public health settings. These individuals maintain clinical and public health systems, including patching and upgrading of software. They also provide one-on-one support, in a traditional "help desk" model, to individual users with questions or problems.
