Assessment

If you are a new student, the state of Colorado mandates you take an assessment test for basic skills in reading, sentence skills and mathematics. Accuplacer, the assessment test, helps you and your advisor make appropriate course choices. Students who have graduated from or attended a Colorado public or private high school (or its equivalent) during the past two years or students who will be working toward a degree within the Colorado Community College System must complete the Accuplacer. If you have taken ACT or SAT, please check our Web site to see if your scores exempt you from this requirement. Your Reading and English scores are good for 5 years; However, Math scores are only good for 2 years.

If you have taken college coursework prior to starting classes at RRCC, please bring a transcript showing the coursework. An academic advisor will help you determine if you need to take the Accuplacer.

Study guides for the Accuplacer are available on our Web site and we highly recommend that you review these before taking the test. There is no fee for the first time you take the Accuplacer. If you wish to retest, there is a \$5.00 charge for each repeated subtest.

When you plan to test, please be sure you have completed an application to RRCC and bring a state or federal issued picture ID with you; no appointment is necessary. The Accuplacer takes approximately 90 minutes, although you may take as long as you need to complete the test. The start times for testing are listed below.

Colorado state law defines the conditions that qualify you for in-state tuition. Your initial classification is based on information you supply on the Application for Admission. You must live in the state of Colorado for 12 consecutive months before you can apply for reclassification to resident status. The Petition for Residency Reclassification is available in the Admissions Office. The deadline for a change in status for Summer 2011 is June 8, 2011 and for Fall 2011 is September 7, 2011.

Colorado Residents

• Sign up for the College Opportunity Fund (COF).

COF is a state-funded program that provides a per-credit subsidy for residents attending state-supported and participating private colleges and universities. This money, referred to as the COF stipend, is applied to an in-state student's tuition, provided the student applies for and authorizes its use. The college you are attending will receive the money and it will appear as a tuition credit on your bill. COF rates are set annually by the Colorado General Assembly. Failure to apply for COF or comply with HB1023 could result in your tuition being changed to non-resident. If you do not apply for COF funding, you are responsible for both the student share and the state share of all tuition and fees. (You need to apply for COF only once, and you must authorize its use.) Please review your bill each term to ensure your COF stipend has been correctly applied to your account. <https://cof.college-assist.org>

Financial Aid

All Red Rocks students are encouraged to apply for financial aid. The first step to receive financial aid is to submit a Free Application for Federal Student Aid (FAFSA) for the appropriate academic year.

The process takes 6-8 weeks, so apply early! The results of the FAFSA application will help the Financial Aid Office at Red Rocks Community College determine the type and amount of aid you will be eligible for. We must receive the results of this application before you will be considered for any federal or state financial aid. You are encouraged to check your My Community Education account online for additional requirements and financial aid status.

How to Submit the FAFSA:

Apply online at www.fafsa.ed.gov using RRCC's school code of 009543.

You and your parents (if you are considered a dependent student – see FAFSA dependency status questions) may want to apply for a Personal Identification Number (PIN) before starting the application. You will use the PIN to electronically sign it once you finish. The link to apply for a PIN is in the "Before Beginning a FAFSA" section of the FAFSA Web site.

If you need assistance completing the FAFSA, contact the RRCC Financial Aid Office to arrange an appointment with an Educational Opportunity Center (EOC) representative.

Although applications for financial aid can be submitted throughout the year, priority dates have been established so that awarding can be completed before the first day of classes. If you have been awarded financial aid by the first day of classes, you can expect to have the aid credited to your account shortly after the drop/refund date. Any funds remaining after the total bill is paid will be issued to your HigherOne Debit Card.

To receive aid for:

Summer 2011
Fall 2011
Spring 2012

Weekend College

Need to go to school only on weekends? Check out our course listing of the variety classes available beginning Fridays at 5:00 pm through Sunday. Most weekend classes are also accelerated.

Accelerated

When your schedule doesn't permit a 15-week class, try one of our accelerated classes. From 10 weeks, to 1 weekend, you'll find a variety of classes to meet your scheduling needs. Be sure to check-out Weekend College classes for other accelerated options.

Self-Paced/Flex

Working with an instructor, you'll design your own schedule. Self-paced courses provide a great amount of flexibility and the opportunity to study when you have the most time to study.

Hybrid

Often called the "best of both worlds," hybrid/flex courses are a mix of methodologies. Often students spend part of their time in the classroom and part of their time online. In other courses, time may be spent in a lab and working from home.

RRCC Online

Online courses provide Red Rock's students with the opportunity to take classes from home. Students log in to a dedicated server and ask questions of their teachers, share information with fellow students, and complete reading assignments, homework, and tests.

CCCONline

Colorado Community Colleges Online (CCCONline) provides community colleges throughout the state the ability to offer a wide range of online classes to their students. If you don't find what you need on campus, check out www.cconline.org.

Weekend College

Need to go to school only on weekends? Check out our course listing of the variety classes available beginning Fridays at 5:00 pm through Sunday. Most weekend classes are also accelerated.

Accelerated

When your schedule doesn't permit a 15-week class, try one of our accelerated classes. From 10 weeks, to 1 weekend, you'll find a variety of classes to meet your scheduling needs. Be sure to check-out Weekend College classes for other accelerated options.

Self-Paced/Flex

Working with an instructor, you'll design your own schedule. Self-paced courses provide a great amount of flexibility and the opportunity to study when you have the most time to study.

Hybrid

Often called the "best of both worlds," hybrid/flex courses are a mix of methodologies. Often students spend part of their time in the classroom and part of their time online. In other courses, time may be spent in a lab and working from home.

RRCC Online

Online courses provide Red Rock's students with the opportunity to take classes from home. Students log in to a dedicated server and ask questions of their teachers, share information with fellow students, and complete reading assignments, homework, and tests.

CCCONline

Colorado Community Colleges Online (CCCONline) provides community colleges throughout the state the ability to offer a wide range of online classes to their students. If you don't find what you need on campus, check out www.cconline.org.
