

WITH **SMART TRACK** THE LEGWORK OF SCHEDULING IS DONE!

These associate degrees offer a two-year sequence of courses that are arranged and waiting for you to register. Once enrolled in a Smart Track degree, you'll have your schedule of courses in advance, so you know where you can fit in work and other commitments. Smart Track degrees make it easier to complete your degree in two years. All Smart Track courses are offered Monday through Thursday during the day. www.rccc.edu/smart-track-degrees

INTEGRATED NURSING PATHWAY – ASSOCIATE OF SCIENCE DEGREE (AS)

Note: Competitive application process.

Red Rocks Community College and the University of Colorado's College of Nursing offer a unique, integrated pathway to earn a Bachelor of Science degree in Nursing. The Integrated Nursing Pathway (INP) program provides outstanding preparation for professional nursing practice. Designed to increase access for community college students to a B.S.N. degree. It emphasizes the value of a diverse student population. This program serves to achieve excellence in practice that is reflective of the cultural diversity of health care recipients.
