2023-2024 Unusual Enrollment History

Name: _____
   Last   First   MI

Phone #: _____ Email:_____@student.cccs.edu

Your 2023-2024 FAFSA was flagged for "Unusual Enrollment History Review" by the U.S. Department of Education because you may have received financial aid at 3 or more schools from 2019 through 2023. This flag requires RRCC to review your enrollment history and determine if you earned academic credit while receiving federal student aid. RRCC will verify the schools you have attended, the dates of your attendance, and the aid that you received from 2019-2023 via the National Student Loan Data System (NSLDS). The Department of Education also grants RRCC the right to place this hold if a student's prior academic history indicates possible abuse of financial aid funds.

1) **Before submitting this completed form to RRCC's Financial Aid Office**, you must submit academic transcripts for all schools you attended during the academic periods that include 2019-2020, 2020-2021, 2021-2022, and 2022-2023 to RRCC's Student Records office. See www.rrcc.edu/student-records for more information about the process of submitting transcripts to RRCC. Do not include RRCC transcripts.
   RRCC cannot process your FAFSA until you submit this completed form to the Financial Aid Office and all required transcripts to Student Records. Please direct all transcript-related questions to student.records@rrcc.edu.

2) **If you failed to earn any academic credit at any college or university during any semester from Fall 2019 through Summer 2023**, you must attach a typed explanation to this form, explaining why you were unable to complete any of your attempted classes during those times. Include documentation of the circumstances that interfered with your classes during the semesters that you completed no attempted credit. Examples of such documentation may include hospitalization records, death certificates, accident reports, etc.

3) **Complete the chart below**. List all schools, including RRCC, that you attended during the academic periods that include 2019-2020, 2020-2021, 2021-2022, and 2022-2023. Continue on the next page if necessary.

Note: Completing this form does not guarantee that you will be awarded financial aid at RRCC. While this hold may impact your ability to receive financial aid, it does not impact your admission to RRCC and is not an admissions requirement. If denied, you may still attend classes at RRCC without the benefit of financial aid.
