

Summer 2009 Financial Aid Application

This application is for students who want to be considered for any financial aid for summer 2009 semester. The 2008-2009 Free Application for Federal Student Aid (FAFSA) is used to determine summer eligibility and you must have a complete 2008-2009 financial aid file to be considered for summer funding.

Funds for summer are generally limited to any remaining Pell Grant and loan eligibility that you have for the 2008-2009 year, in addition to some limited work-study funds. You may have Pell Grant eligibility if you have not attended RRCC or another school for two full-time semesters during the year beginning Fall 2008. If you are eligible for a summer Pell Grant, we will award you once you are registered for summer classes. There is a separate application process for student loans (contact the Financial Aid Office for information).
