

GET AHEAD OF THE REST

Start your college education NOW!

Red Rocks Welcomes high school students who can benefit from our instructional programs. To get started, follow the simple steps below:

STEP 1: TALK TO YOUR HIGH SCHOOL COUNSELOR

Upon approval from your counselor, you may take course work at Red Rocks for dual credit (high school and college credit). Ask your counselor about Post-Secondary Enrollment Options (PSEO), Fast Track, and other concurrent enrollment options.

STEP 2: FILL OUT THE PAPERWORK AVAILABLE IN YOUR CAREER/COUNSELING CENTER

- Complete a Red Rocks Community College Application for Admission at www.rccc.edu
- Sign up for the College Opportunity Fund online at www.rccc.edu.
- Complete a Statewide Agreement Form (for high school concurrent enrollment).
- Depending on the program through which you enter Red Rocks, you may need additional forms.

STEP 3: COMPLETE THE ASSESSMENT PROCESS

Submit ACT or SAT scores (See Chart below) or complete the free, walk-in ACCUPLACER Assessment at the college. The ACCUPLACER measures your readiness for college level course work; it is not a test of whether or not you can attend Red Rocks, but a tool to help advisors place you in appropriate college courses. Call 303-914-6720 or visit www.rccc.edu/assessment for more information and www.rccc.edu/assessment/accuguide/index.html for study guides.

ACT:	ENGL	MATH	READ	SAT:	VERB	MATH
	18	19-23	17		440	460

**If your scores are equal or higher, you have no registration restrictions. If your scores are lower, you must complete the ACCUPLACER Assessment.*

STEP 4: VISIT A RED ROCKS ADVISOR

Academic Advising is available on a walk-in basis. Please stop in for academic advising and registration. We look forward to meeting with you and are happy you have chosen Red Rocks Community College.
