Note: FTE reported under In-State and Out-of-State include the same group of students reported on prior years FTE Reports. That is, all credit hours generated in courses that meet FTE guidelines, separated into two subgroups -- students who are classified in-state or out-of-state for reporting purposes under the statute.

Those FTE reported under All Other Instruction is new. It includes all enrolled students not reported under In-State and Out-of-State, excluding c.e.u. enrollments.

Certification by Person Designated by the Governing Board

I certify that these final fiscal year enrollments are reported in accordance with the current CCHE Policy for Reporting Full-Time Equivalent Student Enrollment and present fairly the enrollment of the institution.
