

Process Technology Degrees and Certificates

Schedule for Spring 2011

You can now earn a degree and certificates in the Process Technology program which will prepare you for entry level employment as a process technician.

Process Technology – Energy Operations AAS Degree

PRO 100 Introduction to Process Technology	4
• 201 T 5-9 PM (ARVADA)	
PRO 110 Safety, Health and Environment	3
• 201 W 5-8 PM (ARVADA)	
PRO 120 Process Tech: Equipment I	4
• 201 W 5-9 PM (ARVADA)	
PRO 125 Process Tech: Equipment II	4
• 201 M 5-9 PM (ARVADA)	
PRO 130 Process Instrumentation I	3
PRO 131 Process Instrumentation II	3
• 201 T 5-8 PM (ARVADA)	
PRO 210 Process Tech II: Systems	4
PRO 220 Process Tech III: Operations	4
PRO 230 Quality in Process Technology	3
• 201 R 4-7 PM (ARVADA)	
PRO 240 Process Trouble Shooting	4
• 201 M 5-9 PM (ARVADA)	
PRO 280 Internship	3
Required General Education Courses –	
Multiple Course Sections Offered. Consult the Fall 2010 Red Rocks Schedule at www.rccc.edu/schedule.	
CIS 118 Introduction to PC Applications	3
BUS 118 Business Survival Skills	3
ENG 121 English Composition I	3
MAT 107 Career Math	3
CHE 101 Introduction to Chemistry w/lab	5
PHY 105 Conceptual Physics	4
SOC 101 Introduction to Sociology	
Or	
PSY 101 General Psychology I	3
Total Credits	63

Introduction to Process Equipment Certificate

PRO 100 Introduction to Process Technology	4
• 201 T 5-9 PM (ARVADA)	
PRO 110 Safety, Health and Environment	3
• 201 W 5-8 PM (ARVADA)	
PRO 120 Process Tech: Equipment I	4
• 201 W 5-9 PM (ARVADA)	
PRO 125 Process Tech: Equipment II	4
• 201 M 5-9 PM (ARVADA)	
Total Credits	15

Introduction to Process Plant Instrumentation Certificate

PRO 110 Safety, Health and Environment	3
• 201 E 5-8 PM (ARVADA)	
PRO 130 Process Instrumentation I	3
PRO 131 Process Instrumentation II	3
• 201 T 5-8 PM (ARVADA)	
Total Credits	9

Introduction to Process Plant Safety Certificate

PRO 100 Introduction to Process Technology	4
• 201 T 5-9 PM (ARVADA)	
PRO 110 Safety, Health and Environment	3
• 201 W 5-8 PM (ARVADA)	
Total Credits	7

Introduction to Process Plant Operations Certificate

PRO 110 Safety, Health and Environment	3
• 201 W 5-8 PM (ARVADA)	
PRO 120 Process Tech: Equipment I	4
• 201 W 5-9 PM (ARVADA)	
PRO 210 Process Tech II: Systems	4
PRO 220 Process Tech III: Operations	4
Total Credits	15

Introduction to Process Plant Quality Management Certificate

PRO 110 Safety, Health and Environment	3
• 201 W 5-8 PM (ARVADA)	
PRO 230 Quality in Process Technology	3
• 201 R 4-7 PM (ARVADA)	
CIS 118 Introduction to PC Applications	3
BUS 118 Business Survival Skills	3
• 201 M 5-8 PM (ARVADA)	
Total Credits	12

Process Technology, Box 12
13300 West Sixth Avenue
Lakewood, CO 80228-1255
