

Student Employment & Internship Services Employer Advisory Council

The Employer Advisory Council members serve as invaluable community partners to our Student Employment and Internship services. Their expertise and time helps us by:

- Supporting a results-oriented Student Employment and Internship program.
- Advising RRCC students in the areas of job search skills, including mock interviewing and resume critiques.
- Helping to market our employment and internship program to other community partners.
- Providing employer insight and advice for Student Employment Services & Internship staff.
- Serving as a general employer resource for RRCC faculty, staff and students.
