COLORADO P.O.S.T. APPLICANT PROCEDURE FOR OBTAINING FINGERPRINT CLEARANCE

In order to be permitted to enter a Colorado P.O.S.T.-approved Basic Law Enforcement Training Academy, an applicant must be fingerprinted (Rule 14-Background Investigations). This is accomplished by having a law enforcement agency take the applicants prints using a P.O.S.T.-provided card and submitting the card to the Colorado Bureau of Investigation (CBI). CBI and the Federal Bureau of Investigation (FBI) check the fingerprints and report the results of this fingerprint check directly to P.O.S.T. Pursuant to § 24-31-304(a): “No person who has been convicted to a felony or certain misdemeanors may be certified to serve as a peace officer or a reserve peace officer in the state of Colorado” These misdemeanors are listed in § 24-312-305(1.5) (b) through (g).

The procedure for submitting your fingerprint card is as follows:

1. Take a single **P.O.S.T.-provided card** to a law enforcement agency to roll your prints.
2. The agency will roll the applicant’s fingerprints and charge any required printing fee for the process to the applicant.
3. The law enforcement agency or the individual will forward the completed card to **CBI**, accompanied by a certified check or money order, provided by the applicant, made out to **CBI** in the amount of **\$39.50** (CBI will not accept personal checks). **DO NOT MAKE THIS CHECK OUT TO P.O.S.T. – DO NOT HAVE THE CARD SENT TO P.O.S.T.**
4. CBI and FBI will notify P.O.S.T. directly of any criminal conviction. IF a conviction is determined to prevent the applicant from becoming certified, P.O.S.T. will notify the applicant of such information.
5. The P.O.S.T. fingerprint card is continuous (flagged). If you are convicted of a criminal charge after you have become certified, CBI will notify P.O.S.T. of this action.

CARD SHOULD BE DELIVERED TO:

Colorado Bureau of Investigation
