

Radiologic Technology Program Schedule Overview

Fall - 1st Year	Spring - 1st Year	Summer - 2nd Year	Fall - 2nd Year	Spring - 2nd Year
Class and School Based Lab	Class and School Based Lab	Clinical Internship	Clinical Internship	Clinical Internship and Registry Review Course
Courses (12.5 credits)	Courses (9.5 credits)	Courses (5 credits)	Courses (12 credits)	Courses (19 credits)
RTE 111 - Patient Care RTE 121 - Radiologic Procedure I RTE 131 - Radiographic Pathology & Image Evaluation I RTE 141 - Radiographic Equipment & Imaging I RTE 142 - Radiographic Equipment & Imaging II	RTE 122 - Radiologic Procedure II RTE 132 - Radiographic Pathology & Image Evaluation II RTE 221 - Advanced Medical Imaging RTE 231 - Radiation Biology & Protection	RTE 181 - Clinical Internship I	RTE 182 - Clinical Internship II RTE 183 - Clinical Internship III	RTE 281 - Clinical Internship IV RTE 282 - Clinical Internship V RTE 289 - Radiology Capstone
Students attend class at the Arvada Campus Tuesday through Friday from 0900 until 1700.	Students attend class at the Arvada Campus Tuesday through Friday from 0900 until 1700.	Students participate in clinical education at a variety of sites (hospitals, clinics, and imaging centers) 30 to 34 hours per week. The clinical internship shifts may be scheduled during the day, in the evening, or over night. The shifts may be on weekdays or weekends. Shifts are assigned by the school at 2-3 weeks prior to the start of the semester and students must complete all assigned shifts.
