#### Weekend Courses

Need to go to school only on weekends? Check out our course listing of the variety of classes available beginning Fridays at 5:00 pm through Sunday. Most weekend classes are also accelerated.

# Accelerated Courses

When your schedule doesn't permit a full-term class, try one of our accelerated classes. You'll find a variety of classes to meet your scheduling needs. Be sure to check-out Weekend College classes for other accelerated options.

# Self-Paced/Flex Courses

Working with an instructor, you'll design your own schedule. Self-paced courses provide a great amount of flexibility and the opportunity to study when you have the most time to study.

# Hybrid/Blended Courses

Hybrid/Blended courses, at RRCC, are courses that combine on-campus classroom instruction with online learning components and/or out-of-class activities. Hybrid/Blended learning is for students who wish to combine the flexibility of face-to-face instruction with activities such as online collaborative discussions, group projects, and/or other outof-class assignments. In a Hybrid/Blended course, traditional face-to-face instruction will be reduced but not entirely eliminated. Internet access and an email address are required for the online course activities.

# **RRCC Online Courses**

Online courses provide Red Rock's students with the opportunity to take classes from home. Students log in to a dedicated server and ask questions of their teachers, share information with fellow students, and complete reading assignments, homework, and tests.

# CCCOnline Courses

Colorado Community Colleges Online (CCCOnline) provides community colleges throughout the state the ability to offer a wide range of online classes to their students. If you don't find the course you need on the Lakewood or Arvada campus, visit www.ccconline.org.

Waitlist Registration is available. See page 9 for details.

The student then has a 24 hour window in which to register for the course. If the student does not register for the course within the 24 hour window, he/she will be dropped from the waitlist and the next student on the waitlist will receive a notification email. For more information, please visit the waitlist FAQ's at:www.rrcc.edu/admissions/waitlist

It is critical that you have your student email account activated and that you are actively monitoring it during the waitlist process. Your student email can be easily accessed through our student portal "The Rock."

For more information on your student email account, go to: www.rrcc.edu/admissions/student-email

# **Drop and Withdraw Dates**

All adds, drops, and withdrawals must be initiated in Admissions or by students online. Drop and withdrawal dates can be found by following these steps:

- 1. Go to www.rrcc.edu
- 2. Click on "The Rock"
- 3. Enter your Student Number
- Enter your password. If you do not remember your password, click on Forgot password? in the "Need Help?" area of the log in window
- 5. Click on the Student tab
- 6. Under Registration Tools, click on: Detailed Student Schedule (with drop & withdrawal dates)
- When you are done, close the Add or Drop Classes tab on your browser. This will return you to the Student tab on "The Rock."

If you have a hold on your account, you may request a drop or withdraw by either coming in person to admissions or by emailing admissions@rrcc.edu from your college-issued student email account.

 Failure to officially drop or withdraw may result in a failing grade for the class. You will also be responsible for full payment of the class.

# To Drop or Withdraw From a Class Online

- 1. Go to www.rrcc.edu
- 2. Click on "The Rock"
- 3. Enter your Student Number
- Enter your password. If you do not remember your password, click on Forgot password? in the "Need Help?" area of the log in window
- 5. Click on the Student tab
- 6. Under Registration Tools, click on Add or Drop Classes
- 7. Select the appropriate term, and click "Submit"
- 8. Follow directions at the top of the page
- When you are done, close the Course Schedule Detail tab on your browser. This will return you to the Student tab on "The Rock."

NOTICE: You must drop a class by the drop date deadline in order to initiate a refund. Once the drop date has passed, you will only be able to withdraw from the class. A withdrawal will result in a "W" grade on your transcript and you will be responsible for full payment of the class. You must withdraw by the deadline associated with the class. Otherwise, you will receive a grade which will be included on your transcript and in your grade point average calculation.

Do not assume you have been dropped from a class for missing payment deadlines. You are responsible for dropping a class before the drop/refund date or you will be responsible for full payment. If you do not attend any class sessions between the start of the course and the census (drop) date of the course, you may be identified as a "no-show" student by the faculty member and potentially dropped from the course. Being dropped as a no-show student can have significant negative consequences if you are receiving financial aid and/or veterans benefits. If you are dropped for non-attendance, you will not be permitted back into the course.

If you are an international student, you need permission from an

international student advisor to make any adjustments in your schedule. Financial aid recipients who withdraw or reduce credit hours must consult with a Financial Aid counselor regarding repayment of financial aid funds, if applicable.

# Steps for Total Withdrawal from RRCC

Students withdrawing from <u>all</u> courses for which they are registered are considered to be 'withdrawn' from the college for that semester. Your student records remain active for three consecutive semesters, after which your status is considered "inactive." Should you decide that a 'total withdrawal' is your only option, the following steps outline the procedure for withdrawing from all of your courses within a semester:

- · Go to www.rrcc.edu
- Click on "Admissions"
- Click on "Total Withdrawal"
- Complete the Total Withdrawal Process by completing each field and clicking that you have read each advisement offered. (Each advisement explains the possible ramifications of total withdrawal from your classes). You may also complete a paper copy which you would present to Admissions.
- Click "Submit Form"
- Upon receipt of the electronically-signed form, the Admissions
   Office staff will finalize the total withdrawal process for you.

#### Assessment

Students who are working toward a degree within the Colorado Community College system, or wanting to transfer guaranteedtransfer courses to a four-year college, or are under the age of 20 must complete the placement test or provide exemption documentation. The results will help you and your advisor make appropriate choices.

The placement test is given on a walk-in basis on either campus (no appointment necessary) and is not timed. You must have applied and received a student identification number prior to taking the test and bring a government-issued photo ID at least two hours before the Assessment Center closes. We strongly recommend you review the online study guides available prior to taking the test. The study guides can be found at www.rrcc.edu/ assessment. Your placement score is an indication of the level of coursework you are ready to take. You are responsible for enrolling in basic skills courses during your first 30 credit hours of attendance if your assessment scores are below college level.

# See Strengthening Your Skills at: www.rrcc.edu/ college-prep.

# Exemptions from taking the placement test may be granted under one of these circumstances:

- Official transcript submitted from any previous accredited college where student earned an Associate's Degree (AA or AS) or higher.
- Official transcript submitted from any previous accredited college where student completed college-level English.
- Official transcript submitted from any previous accredited college where student completed college-level Algebra or higher.
- Student has submitted appropriate ACT (English 18, Reading 17, and Math 23) / SAT (Verb 440, Math 460) scores.
- · Concurrently enrolled high school students who:

- do not need to meet a prerequisite for a course OR
- are matriculated by the institution as degree-seeking undergraduates.

Students enrolling in Fire Science or Emergency Services coursework must consult the Emergency Services Department for their assessment requirements.

# Western Undergraduate Exchange

WUE is a program of the Western Interstate Commission for Higher Education (WICHE). WICHE states include Alaska, Arizona, California, Colorado, Commonwealth of Northern Marianas Islands, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington, and Wyoming. If you're a resident of a WICHE state or CNMI, you can study at RRCC or any one of the 135+ participating schools in the west and pay reduced tuition. Please see restrictions below:

- The Physician Assistant (PA) program is not available for this program, but PA students may qualify for the Professional Student Exchange Program (PSEP), which enables students to enroll in selected out-of-state professional programs because those fields of study are not available at public institutions in their home states. Please note that residents of California, Oregon, and South Dakota are not eligible to enroll through PSEP. Information is available at www.wiche.edu/psep.

# \*College Opportunity Fund (COF)

COF is a state-funded program that provides a per-credit subsidy for residents attending state-supported and participating private colleges and universities.

This money, referred to as the COF stipend, is applied to an in-state student's tuition, provided the student applies for and authorizes its use. The college you are attending will receive the money and it will appear as a tuition credit on your bill. COF rates are set annually by the Colorado General Assembly.

If you do not apply for COF funding, you are responsible for both the student share and the state share of all tuition and fees. (You need to apply for COF only once, and you must authorize its use.)

Please review your bill each term to ensure your COF stipend has been correctly applied to your account. https://cof.college-assist.org

# **Methods of Payment**

- Pay in person: You can pay by cash, personal check, MasterCard, Visa, Discover Card, or American Express at the Cashier's Office at the Lakewood campus or online using MasterCard or Visa. The Arvada campus does not accept student tuition and fee payments.

Scholarships which have been awarded will be posted to your student account after the census date. Scholarships payable to international students have specific IRS requirements. # **Monthly Installment Payment Plan**

RRCC is happy to offer you a current term, monthly installment, tuition payment plan to assist with your budgeting needs and help you pay your account in full by the end of the term. You must enroll in the plan at the beginning of each semester. Monthly payments may be made using Visa, MasterCard, Discover, American Express, or by automatic withdrawal from a checking or savings account.

- This payment plan can only be utilized for the CURRENT semester. It cannot be used to pay a past due balance, or a collections balance.
- There is a \$35.00 non-refundable enrollment fee per semester.

#### Simple steps to enroll:

- 1. Go to www.rrcc.edu
- 2. Log into your "the Rock" account
- 3. Select the Student Finance tab
- 4. Under Payment Options & Refunds tab select "NBS Payment Plan"
- 5. Select "Sign up for a Payment Plan"
- 6. Follow the instructions to get set up

 Once you have your account set up, you can access it anytime by following the same steps you used to sign up for a payment plan via the Rock. Once you've logged in, you can access the following tools:

<sup>o</sup> You can view your balance due, payments made, increases or decreases to your tuition and fee amounts, and other account information.

<sup>o</sup> If someone will be paying tuition and fees on your behalf, you can now add an "Authorized Party" to your account.

<sup>o</sup> If you would like to make a payment towards your tuition and fees in addition to your scheduled payment, you can do so by using the "Make a Payment" option of your NBS account. This payment will reduce your next scheduled payment by that amount.

- If your account is in good standing, you will not be subject to late fees or holds.
- If your account is NOT in good standing, a hold will be placed on your account and will not be removed until the account is brought current or until the balance due has been paid in full.
- If your payment plan is terminated due to non-sufficient funds or non-payment, your student account will be placed on hold and assessed additional late fees.

Check the website at www.rrcc.edu/tuition to familiarize yourself with the plan and to enroll. If you are under 18, your parent or legal guardian must sign up for the plan.

#### When to set up the Payment Plan

The sooner you sign up the better! Your total charges will be divided into multiple payments, the number is dependent on when you sign up for the plan. The longer you wait the larger your payments will be and a 25 - 35% down payment will be required. Payment plans that require a down payment will have those payments processed immediately.

Be sure to check your account online throughout the term to ensure your payments are correctly posted to your student account.

If your financial aid is delayed for any reason, sign up for the payment plan to avoid financial holds, late fees and potential collection action. Any amount your financial aid pays above what you owe, will be refunded

# **Understanding Your Student Account**

See the Calendar page for important payment and hold dates.

Unless you are on a payment plan through our third party payment processor, expecting financial aid or a third party sponsor is paying your bill; payment in full is due no later than the due date listed in the calendar. If your balance is not paid in full or arrangements have not been set up by the scheduled due date, you will be subject to late fees and account holds.

**Do not wait for a bill in the mail.** Your student account information is available online in the portal 24 hours a day. Log in to "The Rock" using your student ID#. Be sure to activate your student email address and check it regularly. Your student email address is the primary method we will use to communicate with you regarding your student account.

Please feel free to email: cashiers.office@rrcc.edu with any questions regarding your account or stop by the Cashier windows at the Lakewood campus.

# **Financial Holds**

Accounts that are not paid in full or have payment arrangements made, will have a financial hold added. A financial hold will prevent you from registering for other classes and keep you from withdrawing or dropping from classes online. If you have a hold you will only be able to drop or withdraw from classes for the current term by sending an email to: admissions@rrcc.edu or going to the admissions counter to complete a form PRIOR to the published deadline. No drops are processed by phone. A hold will also prevent you from receiving an official transcript or receiving your diploma. If you do not drop your course(s) by the scheduled drop date and then choose to withdraw, you will still be responsible for paying the course charges in full. A hold will affect you at RRCC as well as all colleges within the Colorado Community College System (CCCS).

#### If you have a hold and you're account has been turned over for collections, it will take up to two business days for the hold to be removed.

#### How to avoid a hold:

- Sign up for the monthly installment payment plan. All accounts in good standing will automatically have the hold removed.
- Turn in your third party voucher early.
- Pay your account in full before the deadline.

# **Drop for Non-Attendance**

#### Do not assume you have been dropped from a class for nonattendance.

You are responsible for dropping a class before the drop/refund date or you may be responsible for full payment. If you do not attend the first day of class, or any class sessions between the start of the course and the drop (census) date of the course, you may be identified as a "no-show" student by the faculty member and potentially dropped from the course. Being dropped as a no-show student can have significant negative consequences for students using financial aid and/or veterans benefits. Students who are dropped for non-attendance will not be permitted back into the course.

You may drop a class online or by emailing admissions@rrcc.edu from your college-issued student email account or by coming in person to the Admissions office. **Drops may NOT be made over the phone.** 

# Past Due Accounts

If your account is past due, you may not register for classes at RRCC or any of the colleges in the Colorado Community College System.

You will not be issued an official transcript or receive a diploma.

Accounts that are not paid in full by the due date listed in the calendar your account will have a financial hold added.

If your balance is not paid in full or arrangements have not been set up by the scheduled due date listed in the calendar, your account will be assessed an initial \$40 late fee and \$10 reoccurring monthly late fees until it is paid in full or sent to collections. At the end of the term, outstanding accounts will be turned over to a collection agency in accordance with Colorado law and you will be required to make payment arrangements with the agency. Collection costs of up to 40% will be added to your account balance and your account may be subject to interest charges at 8% per year in accordance with Colorado law. Your delinquency will be reported to national credit bureaus.

# **Refund Policy**

- Refunds of payments made by credit card are first refunded to the original payment credit card when the account is at a credit balance.
- All remaining refunds are processed according to the refunding preference you selected on the BankMobile website: https://redrocks.vibeaccount.com.

• Through BankMobile, you may select an electronic deposit to your existing checking or savings account or you may choose to set up a new bank account with BankMobile.

• You may also choose to receive a paper check in the mail directly from BankMobile, at your address on record with Admissions. Be sure to keep your address up to date by logging into your BankMobile account.

• If you do not choose a refunding preference, you will receive your refund via paper check mailed to your address on file with RRCC, approximately 21 days after your batch refund posts to your student account.

• For more information about the BankMobile refunding process and your options, check out: www.rrcc.edu/tuition/ refund-policy.

- Your refund will not include Barnes and Noble bookstore charges for items you purchased at the bookstore. Please check with the bookstore regarding any refunds for items purchased there.
- The \$35 Installment Tuition Payment Plan fee is non-refundable.
- Only classes dropped by the course drop/refund date are eligible for refund. If you withdraw from a class you are still responsible for the charges.

# Drops/Withdrawals/Cancelled Classes

# Do not assume you will be dropped for missing payment deadlines.

- RRCC does not drop for non-payment.
- You are responsible for dropping your classes and drop dates vary by class. Please review the schedule to ensure you know the specific date applicable to each course in which you are enrolled.
- If you do not drop your class by the date noted in the schedule, you may be responsible for the full cost of the course.
- If you withdraw from a course after the drop date, you are responsible for the charges associated with that course.
- If a course is cancelled by the college, you are eligible for a 100% refund of the tuition and fees you have paid for that course. Your refund will be issued as noted above.

# **Financial Aid/Scholarships**

# **Financial Aid**

All Red Rocks students are encouraged to apply for financial aid. The first step to receive financial aid is to submit a Free Application for Federal Student Aid (FAFSA) for the appropriate academic year.

The process can take up to 8 weeks at the busiest times, so apply early! The results of the FAFSA application will help the Financial Aid Office at Red Rocks Community College determine the type and amount of aid you will be eligible for. We must receive the results of this application before you will be considered for any federal or state financial aid. You are encouraged to check your account online on The Rock for additional requirements and financial aid status.

#### How to Submit the FAFSA

Apply online at **www.fafsa.ed.gov** using RRCC's school code of **009543**. You and your parents (if you are considered a dependent student – see FAFSA dependency status questions) will need to complete the FAFSA together. If you need assistance completing the FAFSA, contact the RRCC Financial Aid Office to arrange an appointment with an Educational Opportunity Center (EOC) representative.

Although applications for financial aid can be submitted throughout the year, priority dates have been established so that awarding can be completed before the first day of classes. If you have been awarded financial aid by the first day of classes, you can expect to have the aid credited to your account shortly after the drop/refund date. Any funds remaining after the total bill is paid will be issued to your Bank Mobile Vibe Account.

Fall 2018	April 1, 2018
Spring 2019	Sept. 1, 2018

You must apply for admission to RRCC to be eligible for financial aid. You will be notified by mail and/or email about your financial aid status. If your financial aid is delayed or will not cover your tuition and fees in full by the end of the term, please visit the cashier's office regarding our affordable payment plan.

#### Early FAFSA

Effective with the 2017-2018 (Fall 2017) financial aid year, students can apply on the FAFSA starting October 1st instead of January 1st. What this means is that if you intend to enroll at RRCC in August 2017, you can submit your FAFSA as early as October 2016. You simply use your 2015 income again since your 2016 earnings year has not fully ended yet. Just this once you will report the same income for two different FAFSA years. Get a jump on your financial aid and complete your FAFSA earlier than ever before.

#### **Purchasing Your Books**

Once your financial aid file is complete and you have been awarded aid, you may be eligible to charge your books and supplies against your aid (minus your tuition and fees) at the college bookstore. Contact the RRCC Financial Aid Office for additional information.

The Red Rocks Financial Aid Office will work with you personally to ensure you receive all the financial aid for which you are qualified.

WEEKEND ACCELERATED SELF-PACED FLEX HYBRID RRCCONLINE CCCONLINE

## Red Rocks Community College offers a wide selection of scheduling options to meet your needs

On the following pages you will find course listings for Weekend, Hybrid, RRCC Online, Accelerated, Self-Paced/Flex, and CCCOnline.

For information on these courses contact eLearning Director at 303-914-6444 or reach the RRCC eLearning Department at elearning@rrcc.edu or visit our web site at www.rrcc.edu/options

# Weekend

Need to go to school only on weekends? Check out our course listing of the variety classes available beginning Fridays at 5:00 pm through Sunday. Most weekend classes are also accelerated.

## Accelerated

When your schedule doesn't permit a full-term class, try one of our accelerated classes. You'll find a variety of classes to meet your scheduling needs. Be sure to check-out Weekend College classes for other accelerated options.

# Self-Paced/Flex

Working with an instructor, you'll design your own schedule. Self-paced courses provide a great amount of flexibility and the opportunity to study when you have the most time to study.

# Hybrid/Blended

Courses that combine on-campus classroom instruction with online learning components and/or out-of-class activities. Hybrid/Blended learning is for students who wish to combine the flexibility of face-to-face instruction with activities such as online collaborative discussions, group projects, and/or other out-of-class assignments. In a Hybrid/Blended course, traditional face-to-face instruction will be reduced but not entirely eliminated. Internet access and an email address are required for the online course activities.

# **RRCC Online**

Online courses provide Red Rock's students with the opportunity to take classes from home. Students log in to a dedicated server and ask questions of their teachers, share information with fellow students, and complete reading assignments, homework, and tests.

# **CCCOnline**

Colorado Community Colleges Online (CCCOnline) provides community colleges throughout the state the ability to offer a wide range of online classes to their students. If you don't find what you need on campus, check out www.ccconline.org.
