Full-Time College Ready

Community: Business

Degree or Certificate: AAS Business Interdisciplinary

The Business Interdisciplinary degree allows students to add a business and management emphasis to another career area. Students can apply 15-approved credits of vocational program coursework to fulfill a large portion of this degree. Core business courses give students the knowledge and background to understand the various components required to operate a successful business. This is a “suggested” degree plan for completion in 4 consecutive semesters. Students should consult with an advisor concerning other degree plan layouts. Not all courses are offered every semester.
