## HYBRID SUMMER 2016

For more information: [www.rrcc.edu/options/hybrid](http://www.rrcc.edu/options/hybrid)

Hybrid/Blended courses at RRCC combine on-campus classroom instruction with online learning components and/or out-of-class activities. Hybrid/Blended learning is for students who wish to combine the flexibility of face-to-face instruction with activities such as online collaborative discussions, group projects, and/or other out-of-class assignments. In a Hybrid/Blended course, traditional face-to-face instruction will be reduced but not entirely eliminated. Internet access and an email address are required for the online course activities. **This listing of courses is offered only for convenience.
