Recent Presentations:

Representatives for Men in Early Childhood-Colorado recently spoke at Early Childhood conferences, specifically: National Association for the Education of Young Children Annual Conference and Expo and Head Start Parent Conference and Family Engagement Institute.

If you would like a Men in Early Childhood-Colorado representative to speak at your association/organization meeting, or an ECE conference, please contact us at meccolorado@gmail.com and we would be happy to discuss further details with you.

Future Happening/Activities with MEC

- In our January newsletter, look for information about our Spring 2013 conference related to men in Early Childhood.
- Future Social Events will be discussed at the January meeting!
- A current flyer discussing the benefits of having males work in ECE is available on our website, www.mec-colorado.org. In our January meeting, we will evaluate the community response from this flyer and see evaluate further action.

Men in Early Childhood-Colorado

The mission of Men in Early Childhood-Colorado is to acknowledge the importance and achievements of male educators in the field of Early Childhood by providing support, advocacy, and educational opportunities. Our focus will be on creating a support network that strengthens the community of men serving young children in Colorado.
