

**RED ROCKS COMMUNITY COLLEGE
EMT REFRESHER
SPRING 2015**

The EMT Refresher course at Red Rocks Community College follows the National EMS Education Standards for recertification of an EMT certificate. It is approved by the Colorado Department of Public Health and Environment (Program #057-CO). It consists of 36 hours of didactic and skills instruction. Completion of the course satisfies all requirements for recertification of a Colorado EMT certificate, and the requirements for section 1 of National Registry EMT recertification. The course also includes verification of skills competency for both Colorado and National Registry EMT recertification.

COURSE OFFERINGS:

EMS 126 001 Tuesday and Thursday 6:00 – 8:20 pm January 20 – March 10

Course costs are based upon 2 credits plus fees. Resident tuition and fees are approximately \$300 with COF (College Opportunity Fund) applied.*

PREREQUISITES (ONLY ONE IS REQUIRED):

- Colorado State EMT Certificate current or less than 6 months expired by the end of the class, or
- NREMT EMT Certificate current or less than 2 years expired by the end of the class, or
- Proof of EMT course completion within the last 2 years.

The course is open enrollment, no permissions are required. It is listed in the schedule as EMS 126. Students may enroll online or in person at the college. For more information or if you have any questions please contact the program advisor, Steven Brown, at steven.brown@rrcc.edu
