### Red Rocks Community College and Red Rocks Community College Foundation Scholarship Program Policies

Completion of this application does not guarantee a scholarship award. All eligible applications submitted by the deadline will be evaluated on a number of criteria including need and merit. The RRCC Foundation reserves the right to extend the filing period at the discretion of the Executive Director. Final decision-making rights regarding scholarship selections are held by the RRCC Foundation Executive Director. RRCC Foundation scholarships are funded by gifts from private donors and do not include public funds. Institutional scholarships and others awards administered through the RRCC Foundation may include public funds and will have specified additional criteria.

**Notification of Applicants:** Response letters are sent to all applicants regarding award status on or around August 1st.

**Disclaimer:** A Red Rocks Community College or Red Rocks Community College Foundation scholarship will only be valid for students enrolled at this college. Red Rocks Community College defines “full-time” enrollment as 12 credit hours per semester. Annual scholarships are defined as fall and spring semesters in the same academic year. Scholarship students who receive need-based financial aid or other additional awards may recognize a reduction to their original scholarship award.

Students receiving scholarships are expected to maintain a RRCC minimum GPA and minimum enrollment. Recipients must fulfill the requirements of the award as listed in the notification letter to fully utilize the award during the academic year. If the scholarship student drops below the minimum GPA during any semester, a discontinuance of the scholarship may result. Additionally the student may be required to provide reimbursement for current awards issued.

**RRCC Tuition Reimbursement-Eligible Employees:** All tuition reimbursement-eligible RRCC employees (Employment Categories: ATP, FAC, CLA, PTI) should refer to BP3-60, as any scholarship monies you receive will be used prior to your tuition benefit. The RRCC Foundation strongly discourages benefits-eligible employees from applying to this program as their employee benefits will not be used if a scholarship is granted.

**Withdrawal Policy:** In the event a scholarship recipient drops or withdraws from a course after it has been paid by a scholarship award, the student may be held financially responsible to the college and/or Foundation for those costs. Additionally, future scholarships disbursements may be rescinded. The RRCC Foundation Executive Director has final decision-making rights regarding rescinding or revoking scholarship awards.

**Nondiscrimination Statement:** Red Rocks Community College does not unlawfully discriminate in its admissions, education programs, activities or employment policies on the basis of race, age, gender, sexual orientation, religion, color, national origin, ancestry, creed, gender expression, disability, or any other category protected by application law and is subject to Title IX of the Education Amendments Act of 1972 and Title VII of the Civil Rights Act of 1964 as amended.

### Household and Income Information

The majority of Foundation Scholarships consider financial need. The Foundation collects information about your overall financial picture to assist in determining financial need, including **household, expenses** and **income**. Even though a small number of awards are based only on merit, financial information is **REQUIRED** from all applicants.

Which of the following BEST describes the people **currently living** in your household?

- I live alone.
- I live with my roommate(s) only.
- I live with my parent/guardian(s) only.
- I live with my parent/guardian(s) and sibling(s).
- I live with my significant other only, such as my spouse or domestic partner.
- I live with my child or children only.
- I live with my family, such as parents and spouse; children and spouse; and other relatives.
- I live with a combination of friends, family members and/or roommates.
- Other, specifically \_\_\_\_\_.

To provide a total head count, how many people live in your household, including You? \_\_\_\_\_

Which of the following best describes who is responsible for paying the basic living expenses in your household?

- I am the sole provider.
- My parent/guardian(s) pay all of the expenses.
- I pay a portion of the expenses to my parent/guardian(s) or relative(s).
- I share expenses with my significant other, such as my spouse or domestic partner.
- I divide expenses with the others living in my household, such as my roommates.
- I receive public assistance to help with the expenses.
- Other, specifically \_\_\_\_\_.

For the next question, think about the total amount of monthly living expenses paid by you and others living in the household, including rent/mortgage, utilities, transportation, and food.

Here are examples to help you with your answer:

If you and one roommate split the expenses 50/50 and the expenses are rent \$500, utilities \$250, and food \$250, then the total expenses for the household are \$1,000 and your portion of those expenses equal \$500.

If you are the sole provider, you will add together rent, utilities and other basic expenses. This amount will be in both columns.

Indicate the range that BEST describes the total monthly living expenses:

#### TOTAL EXPENSES PAID BY THE HOUSEHOLD

- \$0 (Answer question \* below.)
- \$1 - \$499
- \$500 - \$999
- \$1,000 - \$1,499
- \$1,500 - \$1,999
- \$2,000 - \$2,999
- \$3,000 - \$4,999
- \$5,000 – and higher

#### YOUR PORTION OF THOSE EXPENSES

- \$0 (Answer question \* below.)
- \$1 - \$499
- \$500 - \$999
- \$1,000 - \$1,499
- \$1,500 - \$1,999
- \$2,000 - \$2,999
- \$3,000 - \$4,999
- \$5,000 – and higher

\*If you indicated \$0, explain why you don't have to pay basic living expenses:

**Remember, you can further explain any of the information on your scholarship application in your Personal Statement.**

For the next question, think about the **total amount of ANNUAL GROSS INCOME earned** by YOU and others living in your household from **January 2013 to December 2013**?

Gross income includes earnings from jobs; net income from business, farm, rent; pensions; dividends; interest; social security payments; and any other money income received. Please report the total amount of money you earned during the entire year— do not subtract the amount you paid in taxes or any deductions listed on your tax return.

Here are examples to help you with your answer:

If you earned \$20,000 and your spouse earned \$45,000, then the total household annual gross income is \$65,000 and your portion of that income is \$20,000.

If you earn \$5,000 a year and your parents earn \$52,000 a year, then the total household annual gross income is \$57,000 and your portion of that income is \$5,000.

If you are living with roommates, or you are the sole provider, or you live alone, then your gross income will be the same in both columns.

Indicate the range that BEST describes the total annual gross income for **2013**:

TOTAL HOUSEHOLD ANNUAL GROSS INCOME	YOUR PORTION OF THAT INCOME
<input type="checkbox"/> \$0 (Answer question * below.)	<input type="checkbox"/> \$0 (Answer question * below.)
<input type="checkbox"/> up to \$14,999	<input type="checkbox"/> up to \$14,999
<input type="checkbox"/> \$15,000 - \$29,999	<input type="checkbox"/> \$15,000 - \$29,999
<input type="checkbox"/> \$30,000 - \$44,999	<input type="checkbox"/> \$30,000 - \$44,999
<input type="checkbox"/> \$45,000 - \$59,999	<input type="checkbox"/> \$45,000 - \$59,999
<input type="checkbox"/> \$60,000 - \$74,999	<input type="checkbox"/> \$60,000 - \$74,999
<input type="checkbox"/> \$75,000 - \$89,999	<input type="checkbox"/> \$75,000 - \$89,999
<input type="checkbox"/> \$90,000 or more	<input type="checkbox"/> \$90,000 or more

\*If you indicated \$0 for income during 2013: How did you meet your living expenses, such as shelter, utilities, food, clothing, and transportation?

Looking ahead, how much gross income do you **estimate** YOU and others in your household will earn in **2014**?

The same as in 2013.

Less than in 2013, because \_\_\_\_\_.

More than in 2013, because \_\_\_\_\_.

I am uncertain, because \_\_\_\_\_.

**Remember, you can further explain any of the information on your scholarship application in your Personal Statement.**
