## Notice: Vote on Student Fees

From April 28-May 4, 2014, Red Rocks Community College students will have the opportunity to vote on a student fee increase for the purpose of constructing and operating a new **Student Recreation Center**.

★How was the need for this new fee determined? In Spring 2013, RRSg, (Red Rocks Student Government) began discussing the need for an improved recreation/fitness facility. RRSg surveyed students during Summer 2013 and Fall 2014 to gauge interest in a new facility. After receiving results indicating high student interest, a favorable vote by the Red Rocks Student Government and approval by the college Executive Team in Fall 2013, an architect/design firm was hired to develop a Program Plan for a new facility.

Three interactive workshops have been held to solicit input from students regarding building amenities. A comprehensive survey was made available to students on-line and in-house to allow further input. RRSg has staffed an information table throughout the Spring 2014 semester.

★What will the new fee fund?

The preliminary design of the facility includes gymnasium space, weight/cardiovascular area, dance/exercise studios, climbing and bouldering wall, outdoor recreation center, student meeting and gathering spaces, classrooms and locker's rooms.

★How much is the new fee?

A stepped fee will be in place beginning in Spring 2016

Spring and Fall 2016	\$70.00 per semester
Summer 2016 semester	\$42.00 per semester
Spring and Fall 2017	\$115.00 per semester
Summer 2017 semester	\$69.00 per semester

(refer to ballot for fee schedule detail)

★How and where do I vote?

In order to vote, every currently enrolled student must present a valid RRCC student ID, or photo ID (driver's license) and S number.

Voting will be held on the Bridge at the
