The up-and-coming RRCC Tobacco and the Environment Council club would like to invite everyone to join in on the RRCC Earth Day Campus Butt Pick-Up Event from 9:00 a.m. - 1:00 p.m. on Monday, April 22nd! Come by our table in the Great Hall to pick up gloves and a bag. Great prize incentives for all participants. Even if you have just a moment, join in to collect a handful of butts and make our RRCC campus environment a better place. If you have questions, or if you are interested in helping work our table for this event 9:00 a.m. - 1:00 p.m. on April 22nd, please contact me (see contact info below), or Jordan Smith, President of the RRCC Tobacco and the Environment Council at jordanandjaryn@hotmail.com.

We look forward to seeing you all there!

Check this out:

Finally! Good news about Tobacco!

It has its own unique recycling program.

Squirrels use cigarette butts to build their nests.

Filters and other tobacco litter have

been found in the stomachs of birds and fish.

This cigarette trash endangers the lives of animals.

Don't be fooled. There is no good news about tobacco.

Financial Aid

Summer Students: Funding your education doesn't have to be difficult or mysterious. You do not have to attend full time to qualify for financial aid. In fact, some students receive a grant (free money) for only 1/2 credit hour! As summer approaches, the Financial Aid Office (FAO) encourages you to contact us with any questions. Our multilingual FAO speaks English, Spanish, and FinAid so we can translate! (Important note: Students who have received their full 2012/2013 awards during the fall and/or spring will not have an additional summer disbursement.)
