### A Joke For Your Week

A little old lady goes to the doctor and says, "I'm afraid I can't stop passing wind. Luckily, they don't smell and are always silent. As a matter of fact, I've done it twice since I've been here in your office, but you didn't even notice."

The doctor looks at her and says, "OK. I can help you, take these pills and come back next week."

The next week, the lady returns. "Doctor," she says, "I don't know what you gave me, but now my farts stink."

The doctor smiles and says, "Good, we fixed your sinuses. Now let's work on your hearing."

### Johnna's Clinic Corner Question of the Week

**Q.** What will the summer hours be at the clinic?

**A.** The hours for summer should stay similar to the current hours at the clinic now. There may be some variations due to vacations and the number of students utilizing the clinic. The best way to know our hours for sure is to stop by the clinic or give us a call.

**Q.** Can I be seen in the clinic over summer break if I am not taking any classes?

**A.** Yes you can be seen over summer break as long as you were enrolled for the Spring semester and are enrolled in classes for the fall.
