

Request for Waiver of Admissions Requirements For Underage Students

Students under the age of 17 who are not participating in the Concurrent Enrollment Program with their high school district must request a Waiver for Admissions Requirements for Underage Students.

Students under the age of 17 are not guaranteed open enrollment.

If you are participating in the Concurrent Enrollment Program please contact the High School Relations Office at (303-914-6350) to complete the required paperwork.

Steps to complete enrollment:

1. Complete the RRCC application at <http://www.rccc.edu/admissions/>. Including the **online orientation, COF, and student Email activation**. For assistance please contact the Admissions office at 303-914-6365. *Being issued a student ID number does not guarantee underage enrollment acceptance.*
2. Obtain a request for “Waiver of Admissions Requirements” at the Lakewood Campus from the Program Assistant (303-914-6388) in the office of the Vice President for Student Success, located in Room 1219. You may also obtain the waiver from the Information Desk at the Arvada Campus or at www.rccc.edu/hs/forms.
3. The **CCPT** test is required prior to registration for all students under the age of 17 entering for the first time. An appointment is **not** necessary, however you may contact Assessment Center at 303-914-6720 for check-in hours. You do not need to complete the test sections during the same visit. Each section (math & English will require approximately 1-1/2 hours each). A study guide is available at <http://www.rccc.edu/assessment/accuplacer-study-guides>. It is highly recommended students prepare for the CCPT. A photo ID (driver’s license, student ID or State of Colorado ID card) is required. No exceptions.
4. If you are requesting enrollment in an advanced foreign language class, you will need to contact the coordinator of the Foreign Language department to schedule a foreign language placement test. Contact Meredith Hibt at 303-914-6557 or meredith.hibt@rccc.edu to set up this appointment.
5. Return your completed and signed packet including the Payment Agreement, and supporting documentation to the program assistant in the office of the Vice President for Student Success located on the Lakewood campus (Room 1219).
6. When the completed packet of information is received by the Program Assistant it will be evaluated for completion and forwarded with a recommendation to the Academic Standards Committee for review. **In all cases, all applications for a waiver of age requirements must be submitted for review at least 2 weeks before the first day of the semester. Late waiver applications cannot be guaranteed for review prior to the semester start date.**
7. After a final decision has been reached, you will be contacted by phone or email of acceptance or denial.
8. Once acceptance is established, underage students will be notified of the decision and registered for the course/s by the Program Assistant in the Office of the Vice President of Student Success. You are responsible for payment of all tuition and fees. It is your responsibility to know and understand all policies and procedures relating to course withdrawals and tuition refunds.
9. **Participation in enrollment to RRCC begins a student’s college experience and a permanent college transcript.** *In contrast to the AP program (where college credit is granted upon successful completion of a national examination and no record is kept on the student’s college transcript if the exam is not passed), registration for enrollment constitutes a commitment to enter the final course grade on the student’s permanent college record, regardless of the results.* Furthermore, credit is earned by performance and participation throughout the course, rather than by an exit examination alone.

10. If you have any questions or concerns about the Underage Waiver process, please feel free to call the Program Assistant in the office of the Vice President of Student Success at 303-914-6388.
