

## Green Mountain High School Concurrent Enrollment Courses

Course	Description	Credits
BUS 116	Personal Finance	3
Spring Enrollment	High School Instructor: Van Davis	
	Surveys the basic personal financial needs of most individuals. The course emphasizes the basics of budgeting and buying, saving and borrowing money, the intricacies of home ownership, income tax and investments, and the wise use of insurance, wills, and trusts.	
	Prerequisite: N/A	
	<b>Plan of Study:</b> This course is part of the Business Associate of Applied Science Degree at Red Rocks Community College and may transfer to other colleges <u>http://www.rrcc.edu/catalogs/17-18/associate-of-applied-science-degrees-aas.htm</u>	
BUS 118	Business Survival Skills	3
Fall and Spring	High School Instructor: Van Davis	
Enrollment	Provides an overall perspective for the student to understand the current domestic and world business environment and how the student as an employee fits into that environment. Roles and responsibilities of the business and the employees will be studied, especially as they relate to alternatives for increasing positive impact in the workplace. The focus will be on practical skills application. (See combination of BUS118 and MAR106 for completion of Workplace Readiness Certificate)	
	Prerequisite: N/A	
	<b>Plan of Study:</b> This course is part of the Business Associate of Applied Science Degree at Red Rocks Community College and may transfer to other colleges <u>http://www.rrcc.edu/catalogs/17-18/associate-of-applied-science-degrees-aas.htm</u>	

EGG 106	Robotics	1
	High School instructor: Michelle Roland	
	Focuses on the process of building an autonomous robot from the initial design to final evaluation. Includes design and building of the mechanical structure, electrical system as well as programming and integration of all systems to produce a fully functional autonomous robot capable of performing a series of proscribed tasks. Culminates with a detailed evaluation of both the robot and its performance.	
	Prerequisite: N/A	
	<b>Plan of Study:</b> Partnered with EGG 151-Experimental Design (taken at Red Rocks Community College), courses may be transferred towards University of Colorado Boulder's Engineering Programs: <u>http://www.colorado.edu/engineering/red-rocks-community-college-transfer-pathway</u>	
MAR 106	Marketing Your Image	3
Fall Enrollment	High School Instructor: Van Davis	
	Teaches students how to market themselves to prospective employers, clients, professional groups, and audiences of all types. Major emphasis will be placed on skills used to gain employment (resumes, interviewing, and professional appearance) and on skills used to achieve continued personal success (professional behavior and attitude). The course will include at least one simulated interview. *completion of BUS118 and MAR106 = Workplace Readiness Certificate	
	Prerequisite: N/A	
	<b>Plan of Study:</b> This course is part of the Business Associate of Applied Science Degree at Red Rocks Community College and may transfer to other colleges <u>http://www.rrcc.edu/catalogs/17-18/associate-of-applied-science-degrees-aas.htm</u>	
MGD 101	Introduction to Computer Graphics	3
Fall and Spring	High School Instructor: Lorri Frisbee-Hooper	
Enrollment	Introduces computer systems developed for graphics. You will learn hardware and software components used in multimedia production and explore basic computer operations, file management, scanning techniques, archiving capabilities, and utilization of the multimedia department server and Internet connection.	

Prerequisites: N/A Plan of Study: This course is part of the Multimedia Graphic Design Associate of Applied Science Degree at Red Rocks Community College and may transfer to other colleges. http://www.rrcc.edu/catalogs/17-18/graphic-design-amp-print-production- aas-degree.htm Introduction to Multimedia High School Instructor: Lorri Frisbee-Hooper Introduces the equipment and software used in multimedia production and the multimedia professions focus on current	3

MGD 104	Videography I	3
Spring Enrollment	High School Instructor: Rebecca Ketchum	
	Introduces the principles and techniques of video production, including camera operation, basic script writing, lighting, basic sound, and basic digital editing. Examination of pre-production, production, and post-production processes, as well as aesthetics, are included.	
	Recommended Prerequisites: <u>MGD 101</u> or <u>MGD 102</u> and basic computer skills.	
	<b>Plan of Study:</b> This course is part of the Video Production Associate of Applied Science Degree at Red Rocks Community College and may transfer to other colleges.	
	http://www.rrcc.edu/catalogs/17-18/video-production-aas-degree.htm	
MGD 111	Adobe Photoshop I	3
Fall and Spring	High School Instructor: Lorri Frisbee-Hooper	
Enrollment	Concentrates on the high-end capabilities of Adobe's industry standard photo- editing software as an illustration, design, and photo retouching tool. You will explore a wide range of selection and manipulation techniques applied to photos, graphics, and videos. Design concepts also are explored in this class.	
	Prerequisite: N/A	
	<b>Plan of Study:</b> This course is part of the Multimedia Graphic Design Associate of Applied Science Degree at Red Rocks Community College and may transfer to other colleges. <u>http://www.rrcc.edu/multimedia/degrees-and-certificates</u>	
PHO 109	Photography Lab	1
Pending	High School Instructor: Lorri Frisbee-Hooper	
	Introduces operations, lab safety, and proper operation of equipment to beginning and advanced students as a co-requisite for taking one or more courses from the CCD Photography Department.	
	Prerequisite: N/A	

<b>THE 116</b> <i>Spring</i>	High School Instructor: Barbara Amberg		
	Technical Theatre	3	
Spring Enrollment	<ul> <li>High School Instructor: Rebecca Ketchum</li> <li>Offers advanced study of digital video imaging concepts using digital cameras. Heavy emphasis is placed upon media aesthetics and the creative integration of sight, sound, and motion in student projects.</li> <li>Plan of Study: This course is part of the Video Production Associate of Applied Science Degree at Red Rocks Community College and may transfer to other colleges. http://www.rrcc.edu/catalogs/17-18/video-production-aas-degree.htm</li> </ul>
