RECEOPTIONS SCHEDULING OPTIONS FOR YOUR ACTIVE LIFESTYLE

HYBRID SUMMER 2017

For more information: www.rrcc.edu/options/hybrid

Hybrid courses at RRCC combine on-campus classroom instruction with online learning components and/or out-ofclass activities. Hybrid learning is for students who wish to combine the flexibility of face-to-face instruction with activities such as online collaborative discussions, group projects, and/or other out-of-class assignments. In a Hybrid course, traditional face-to-face instruction will be reduced but not entirely eliminated. Internet access and an email address are required for the online course activities. This listing of courses is offered only for convenience. You must review the course listings in the schedule for complete course and fee information.
