## International Student Statement of Financial Support

Red Rocks Community College • 13300 West 6<sup>th</sup> Avenue • Lakewood, CO 80228-1255 USA

---

Students from other countries are expected to be able to pay for all of their expenses for their entire course of study, as financial aid is not available to international students. The U.S. government does not allow F-1 students to work off-campus and on-campus job opportunities are limited, so employment cannot be relied upon for financial support. You are required to certify that you will have adequate financial support for your program of study at Red Rocks Community College. We cannot issue the I-20 document that you will need for your visa interview until we have this complete information.
