| EMS 115  | **First Responder**  
High School Instructor: George Piccone  
Provides you with core knowledge and skills to function in the capacity of a first responder arriving at the scene of an emergency, providing supportive care until advanced EMS help arrives. **Prerequisite: N/A**  
Plan of Study: [http://www.rrcc.edu/emergency-medical-services](http://www.rrcc.edu/emergency-medical-services)  
[http://www.rrcc.edu/fire-science/fire-fighter-one-academy](http://www.rrcc.edu/fire-science/fire-fighter-one-academy)                                                                                                                                                                                                                      | 3       |
| FST 102  | **Principles of Emergency Services**  
High School Instructor: George Piccone  
Introduces the fire service organization and operation from past to present operations. It includes operation and organization of federal, state, local and private protection forces. The course emphasizes extinguishing methods and equipment, special extinguishing agents, and special hazard considerations. It serves as a prerequisite for students with no previous fire suppression training or experience.  
**Prerequisites:**  
ACT Scores: English 18  
SAT Scores: Verbal 440  
Accuplacer Scores: Sentence Skills 95                                                                                                                                                                                                                                                   | 3       |
| FST 160  | **CPAT Prep Course**  
High School Instructor: George Piccone  
Prepares students for the job of a firefighter as well as the testing requirements to test for CPAT. The tools for all classes will be fire service tools, such as, sledge hammer, hose, nozzle, ladders, pike pole, power saws, and rescue dummy. The course will include the basic fire skills of rescue, hose lay, equipment movement, ladder raise and extend, forcible entry, search, and ceiling breach. The course also includes aerobic and strength training to assist student in passing CPAT. **Prerequisite: N/A**  
Plan of Study: [http://www.rrcc.edu/fire-science/fire-fighter-one-academy](http://www.rrcc.edu/fire-science/fire-fighter-one-academy)                                                                                                                                                           | 3       |
