

Standley Lake High School

Concurrent Enrollment Courses

Automotive Technology

High School Instructors: Kenny Bowlus

Spring Enrollment

Prerequisites: N/A

(In cooperation with WarrenTech)

This program is a nationally certified automotive repair program (NATEF) which provides you with entry-level skills in the automotive industry or upgrading for those currently in the field. Demonstrated mastery of skills is required and all tasks must be completed to satisfy industry standards. All automotive (ASE) courses are held at the WarrenTech automotive classroom/lab. The instructors are ASE Certified Master Technicians.

Earn RRCC Certificates:

Coursework can be applied towards an Associate of Applied Science Degree (AAS) or the following certificate: Maintenance Light Repair Certificate

Plans of Study: These courses are part of the Automotive Service Technology Associate of Applied Science Degree at Red Rocks Community College and may transfer to other colleges.
