

PROVIDER POST

Child Care Innovations

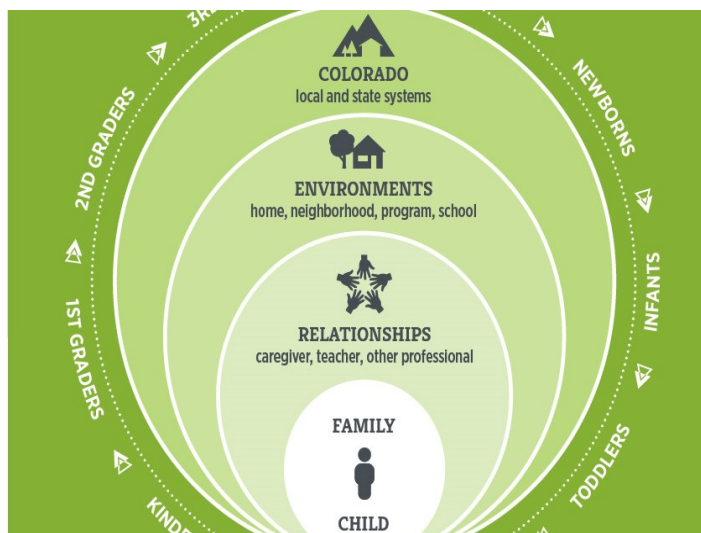

January—June 2017

Over twenty-five years of providing training and support for child care providers, building capacity, and developing programs to enhance quality.

Professional Development Opportunities...

This bi-annual publication provides information about training sessions offered by our agency. All sessions are presented by highly qualified part-time staff. Certificates are provided to document your professional development, interactive learning experiences, current best practice information for early childhood professionals ..all at affordable prices.

We are also available for consultation and provision of customized training sessions provided at community locations throughout our service delivery area, early childhood professional organizations, or child care centers. This trainings can also include Face to Face classes required for reaching a Level 2 in Colorado Shines.

In This Issue

- Pre-Licensing
- Universal Precautions
- New Classes for July—December 2016
- New Facebook page!

Provider Updates

Child Care Resource and Referral Agencies collect data on child care supply and demand. This data may be used to:

- * Help parents and providers understand average rates in given communities
- * Help families understand options that best meet their needs
- * Help inform recruitment efforts
- * Gain information needed to receive funding for quality improvement, scholarships and support providers
- * Help inform capacity building efforts
- * Help determine training and support needs
- * Help in communication and outreach to providers, including providing information about grants and other resources
- * Help us advocate on behalf of early childhood professionals

Each licensed facility is contacted at least twice a year per our contract with the **Colorado Office of Early Childhood**. Information is not shared with the public. It is only used in aggregate form. Please take some time to assist us when contacted or call our provider line: 303-969-9666.

You may also use the update form on our website:

Emergency Preparedness for Licensed Child Care Providers

Class #PP17-1

Christa Ferrari, Child Care Licensing Specialist, will provide an explanation of new licensing rules for emergency preparedness and disaster planning. Assisting providers in creating their own emergency plan that is compliant with licensing rules and regulations.

Saturday, January 21, 9:00a.m.—12:00 p.m. ...\$30.00

Licensing Symposium

Class #PP17-2

COST IS FREE

Join providers from the greater Metro area to get questions answered about Child Care Licensing Rules and Regulations.

What to Expect

The first hour will cover General Rules for Child Care Programs. Kaplan Early Learning will sponsor lunch. Followed by two hour breakout sessions about family child care, child care centers and school age child care.

Competencies Addressed

PDL 5.2. Uses local, state, and national professional resources to reflect on, evaluate, and improve professional practices.

PDL 6.1. Identifies and participates in professional opportunities to increase knowledge to improve practices (i.e., conferences, professional organizations, local training opportunities, college courses).

*******Bring a copy or your general rules and rules that regulate the program you work for.*******

February 2017

One Step + Asthma Management

Class #PP17-3

Competency Area: 3 Hours for Health, Safety and Nutrition

Instructor: Ashley Seder

The ONE Step + Asthma Management program is a free training that will provide you with information about resources on SHS and asthma, and equip you and your staff with knowledge on how to use health-focused messaging to educate parents about removing SHS from the home.

This course offers free resources, snacks, support for policy writing and additional tips on working with families in your programs.

Saturday, February 18, 2017, 9:00a.m.—12:00p.m.....\$30.00

March 2017

Responsible Fatherhood Program

Class #PP17-4

Instructor: David Rosset

As part of the Responsible Fatherhood Program, fathers, and mothers, are educated about practical parenting styles and skills. Emphasis is placed on the critical need for fathers to be active in parenting their children as well as serving as positive role models for other children in our communities.

David Rosset, Fatherhood Specialist, will talk about the Fatherhood Program and the curriculum they use to support mothers and fathers. David will also discuss ways child care providers can support families to ensure children have two active parents in their lives.

Saturday, March 11, 9:00a.m.—12:00p.m....\$30.00

April 2017

Early Trauma and Sensory Systems: A Whole-Brain Approach for Early Care Providers

Class#PP17-5

Instructor: Jennifer Anton

Providers will learn about brain development in young children and how it influences early attachment and sensory processing. We will discuss the stress response system and how it specifically impacts behavior in the classroom or family child care. Most important, we will learn hands-on strategies for reducing and responding to challenging behavior, implementing effective guidance and increasing self-regulation in young children.

Part 1: How does the brain work?

Part 2: How does stress impact child development?

Part 3: Putting it all together: a trauma-informed classroom

Part IV: Q & A

Saturday, April 8, 9:00a.m.-12:00p.m.....\$30.00

Provider Support Line is now available,

Do you have basic questions about the quality rating and improvement system?

Do you have questions about specialized training for your program?

Do you need information on the early childhood council in your area?

We are here to help.

The Provider Support Line is available to you at 303-914-6584.

May 2017

Have a Heart for Challenging Behaviors Successfully Guiding Behaviors

Class #PP17-6

Instructor: Liz Phelps

DO you have a tough time dealing with difficult behaviors that disrupt the success of the program?

Perhaps you feel qualified to deal with the behaviors but the time required to resolve the problem seems to take an eternity.

This workshop will be both informative and interactive with the goal of having participants leave being able to:

- Identify common difficult behaviors exhibited in programs that frustrate children and staff alike.
 - Have a clear plan on behavior management that supports children and families.
 - Recognize challenging behaviors, difficult behaviors, and extreme behavioral issues.
- Use support staff and other resources to support your program in managing difficult behaviors.

Saturday, May 6, 9:00a.m.-12:00p.m....\$30.00

June 2017

Child Care Innovations annual conference is coming in June. Please stay tuned for topic and sign up information.

Customized Training

Child Care Innovations is proud to offer customized training for programs throughout Colorado. We have a pool of skilled trainers who will provide training that is created just for your program needs.

Having an in-service day? Give us a call at 303-914-6274 and we will help you schedule trainers for that day.

Have a large staff and want them all to receive the same information? Give us a call at 303-914-6274 and let us know what we can do to help.

Let us help with your training needs. You can reach out to Julia Brink at Julia.brink@rrcc.edu or 303-914-6274.

Colorado's Competencies

Colorado released Colorado's Competencies for Early Childhood Teachers and Administrators to support teachers and administrators in their professional development. These competencies are now reflected on training certificates accepted for renewal of licensure.

What are the content areas of Colorado's Competencies for Early Childhood Teachers and Administrators?

Child Growth and Development, Child Observation and Assessment, Family and Community Partnerships, Guidance, Health, Safety and Nutrition, Professional Development and Leadership, Program Planning and Development, and Teaching Practice.

The competencies are broken into four levels:

Level 1: Demonstrates basic skills and knowledge to support quality early childhood care and education

Level 2: Demonstrates skills and knowledge from level 1 plus applies skills and knowledge to implement effective early childhood environments and experiences for young children.

Level 3: Demonstrates skills and knowledge of previous levels plus, designs, plans, and analyzes policies, procedures and practices that are optimal for young children.

Level 4: Demonstrates the skills and knowledge at previous levels plus: advances the field of early childhood education through advocacy.

From Colorado's Competencies For Early Childhood Teachers and Administrators.

What's Happening in Colorado Shines?

RTT: Funds are still available for the Race to the Top Grant.
Contact your Early Childhood Council to find out more.

PDIS Support

Uploading your staff credentialing and transcripts allows for a one-stop location for retrieval of all of their training certificates and professional development goals.
