

Wrapping up the School-Year

We are looking ahead to a fun summer around our "Heroes and Villains" theme!

THIS MONTH'S CURRICULUM:

We're bringing our year to a close with themes focused on things that grow and colors! We have great projects including creating sundials and learning about pollination!

Red Rocks School Age Child Care at Kendrick Lakes:

Meet May's Super Student, Liam!!!

We end this wonderful year with the brightest smile of them all!

Liam greets every day with a positive attitude that is genuine and true. The grayest day turns sunny when he walks in the room. He shares his positive attitude with everyone in the program and makes friends with everyone. With his big bright eyes, he sees the world as a glorious adventure and finds fun wherever he goes and whatever he does. He is always respectful to staff and puts his homework before anything else.

Look out world! Liam is coming and he is going to do great things!

Congratulations!!!

Our only 5th grader will be moving on to Middle School next year. Peyton will be leaving us to begin 6th grade at Carmody. This talented young lady has brought music, dancing and wondrous leaps over cups to our daily lives.

She sings in the choir, plays violin and crochets the cutest little duckies. Her quirky sense of humor and laughter will be missed.

Good Luck Peyton!!
