

# MARCH NEWSLETTER

## SURVEY THANK YOU!

Thank you to all of you who took the time to complete our family surveys! We have taken time to evaluate the answers, examine patterns and are now implementing some strategies for improvement.

This past month, we have also been asking the children their opinions. We hope to share with you some of their answers in our next newsletter.

## SUMMER IS COMING!

Our Theme for this summer is Heroes vs. Villains and we will be hosting care at Bear Creek K-8, Hackberry Hill and Maple Grove Elementary.

Registration will be opening February 20<sup>th</sup> for currently enrolled families! Keep an eye out for the email from [sacc@rrcc.edu](mailto:sacc@rrcc.edu).

Our website will also be updated as more information becomes available:

<https://www.rrcc.edu/school-age-childcare/summer-information>

## IMPORTANT DATES

**2/20: Summer Registration** opens for currently enrolled families.

**3/18-3/25 Spring Break:** Care will be at Semper. Sign up online by 3/4.

## DID YOU KNOW?...

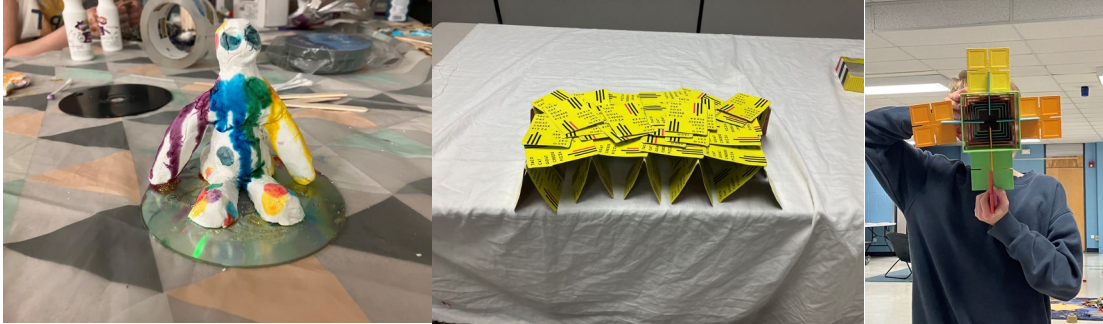

According to National Afterschool Association, over the past 10 years there has been a focused and well-researched shift for STEM education to be based on hands-on, inquiry-type activities. The afterschool environment is perfect for implementing these types of activities. With a non-traditional structure that allows for small group, multi-age learning opportunities and student-centered curriculum, afterschool programs are a place where process can take the front seat from content.

RRCC SACC offers STEAM projects every day! These projects are engaging, hands-on opportunities that allow the children to explore different concepts regarding science, technology, engineering, art and math. Feel free to stick around and participate in an activity with us someday!

## Unlocking Creativity: A Fun and Imaginative Journey with SACC

We're excited to share a glimpse into the vibrant world of our SACC program! At SACC, we believe in fostering creativity and encouraging your child to think outside the box. Our program is designed to provide a space where kids have the freedom to explore their imaginations, unleash their creativity, and have a blast while doing so. We love seeing their unique ideas come to life and witnessing the joy it brings them. We strive to continue to inspire creativity and make every moment at SACC an opportunity for fun and learning!
