Every Third Monday of the Month

12:00pm-1:00pm

## ATTN: Current and Former Female Service Members

You are invited to join us for comradery and conversation. As female veterans we share common experiences, skills, and challenges. With this common ground we can build a supportive community. Grab a sack lunch or something from the cafeteria and join your sisters in arms for a casual discussion about life during and after service. Every Third Monday of the Month.
