

TRANSFER GUIDE
B.A. Economics
Colorado State University

For a student to be accepted into a capped major minimum requirements for entrance into the major must be met. Certain majors have a limited number of spaces available on a competitive basis, and not all students who apply will be accepted into that major.

Section I: Degree/Program Requirements

A. Institutional graduation requirements for this degree program.

The graduation requirements for a transfer student pursuing this major will be no different than the graduation requirements for a native student, including the minimum number of semester hours required for graduation. Specifically, the student must meet the following requirements:

- Successfully complete at least 42 upper division credit hours, 30 of which must be CSU credits;
- Meet any minimum grade requirements reported on department website.

B. Required courses in Major, including prerequisites and required Support courses in the chart below:

COMMUNITY COLLEGE COURSES: Courses to be taken as part of completed AA/AS degree to guarantee the completion of a baccalaureate degree in 60 additional credits after transfer:

Community College	Colorado State University Equivalent
• 12 Credits in Arts and Humanities (including 9 taken for AA core)	• 12 Credits in Arts and Humanities
• 15 Credits in Social and Behavioral Sciences outside of Economics (including 9 taken in AA core)	• 15 Credits in Social and Behavioral Sciences outside of Economics
• MAT121	• M CC117, M CC118, M CC124
• ECO202 Principles of Microeconomics	• ECCC202 Principles of Microeconomics
• ECO201 Principles of Macroeconomics	• ECCC204 Principles of Macroeconomics
• MAT125 Survey of Calculus	• M CC141

Degree Completion Requirements (CSU)

	Course Number	Course Name	Credit Hours
Required Major Courses (CSU)			
	EC304	Intermediate Macroeconomics	3
	EC306	Intermediate Microeconomics	3
	EC335	Intro to Econometrics	3
		Political Economy 300-400 level List	3
		300-400 level Economics	6

	EC492	Capstone Seminar	3
Elective Major Courses (credit hours)			
		Economics Electives	6
		300-400 level Electives	18
		Free Electives	9
Required support courses			
		One of following: COCC300, COCC301A-D, COCC302, JTCC300	3
		Intro to Statistical Methods	3
Other graduation requirements			
Graduation Requirements beyond AA/AS degree			60
Associate of Arts/Science Degree			60
TOTAL GRADUATION REQUIREMENTS			120

Section II: Transfer Of Credit

If you need more information about transfer course equivalency, please access <http://tes.colostate.edu/>.

- A. Grade Eligibility.
Only academic courses with a letter grade of "C-" or better are transferable. The four-year institution will accept and count toward meeting graduation requirements all state guaranteed general education courses that have a grade of C- or better.
- B. Credits received for a particular advanced placement test will vary by academic area. See <http://www.colostate.edu/Depts/Registrar/transfer.htm#advplace> for more information. Further, CSU accepts scores of 4 and above on international baccalaureate tests.
- C. The four-year college or university will accept all approved credits earned within ten years of transfer. Courses earned more than ten years earlier may be evaluated on an individual basis.
- D. The institution may apply a state guaranteed general education course toward the major or other graduation requirements if that facilitates the student's graduation more effectively.

Section III: Appeals Process

- A. Institutional Appeal Process

Students who follow this agreement shall have the right to appeal a transfer decision that appears to be inconsistent with the terms and courses listed in this agreement. Appeals pertaining to this transfer guide should be filed with the institution. A student may file an appeal that pertains to state guaranteed general education courses directly to CCHE.

B. State Appeal

For information on the student appeal process, refer to Student Appeal Policy at www.state.co.us/cche/policy/q&aappeals or www.state.co.us/cche/policy/l-partt.pdf.
