

TRANSFER GUIDE
Fishery Biology
Colorado State University

For a student to be accepted into a capped major minimum requirements for entrance into the major must be met. Certain majors have a limited number of spaces available on a competitive basis, and not all students who apply will be accepted into that major.

Section I: Degree/Program Requirements

A. Institutional graduation requirements for this degree program.

The graduation requirements for a transfer student pursuing this major will be no different than the graduation requirements for a native student, including the minimum number of semester hours required for graduation. Specifically, the student must meet the following requirements:

- Successfully complete at least 42 upper division credit hours, 30 of which must be CSU credits;
- Meet any minimum grade requirements reported on department website.

B. Required courses in Major, including prerequisites and required Support courses in the chart below:

COMMUNITY COLLEGE COURSES: Courses to be taken as part of completed AA/AS degree to guarantee the completion of a baccalaureate degree in 60 additional credits after transfer:

Community College	Colorado State University Equivalent
BIO 111	LSCC102
BIO 112	LS 103
CHE 111	CCC 111, CCC 112
CHE 112	C 113, C 114
CHE 205	C 245, C246
MAT 201	M CC160
PHY 101 or PHY 111	PHCC110 or PHCC121

Degree Completion Requirements (CSU)

	Course Number	Course Name	Credit Hours
Required Major Courses (CSU)			
	FW 204	Introduction to Fishery Biology	3
	FW 360	Principles of Vertebrate Mgmt	3
	FW 370	Design of Wildlife Projects	3
	FW 300	Ichthyology	2
	FW 301	Ichthyology Laboratory	1
	FW 401	Fishery Science	3
	FW 400 or FW 402	Fish Ecology or Fish Culture	3-4

	NR 220	Natural Resource Ecology & Measurements	5
	NRCC 320	Natural Resource History and Policy	3
	NR 420	Integrated Ecosystem Management	4
Elective Major Courses (credit hours)			
		Junior Organismal Elective*	3-4
		Suborganismal Electives*	9-11
		Senior Aquatic Elective*	4
		Ecosystem Management Electives*	6
		Free Electives*	0-2
*When you make choices in categories above, be sure that you have a minimum of 42 upper division (300-400 level) credits.			
Required support courses			
	BY 320	Ecology	3
	STCC 307/ STCC 301	Introduction to Biostatistics or Introduction to Statistics	3
Other graduation requirements			
Graduation Requirements beyond AA/AS degree			60
Associate of Arts/Science Degree			60
TOTAL GRADUATION REQUIREMENTS			120

Section II: Transfer Of Credit

If you need more information about transfer course equivalency, please access <http://tes.colostate.edu/>.

- A. Grade Eligibility.
Only academic courses with a letter grade of "C-" or better are transferable. The four-year institution will accept and count toward meeting graduation requirements all state guaranteed general education courses that have a grade of C- or better.
- B. Credits received for a particular advanced placement test will vary by academic area. See <http://www.colostate.edu/Depts/Registrar/transfer.htm#advplace> for more information. Further, CSU accepts scores of 4 and above on international baccalaureate tests.
- C. The four-year college or university will accept all approved credits earned within ten years of transfer. Courses earned more than ten years earlier may be evaluated on an individual basis.
- D. The institution may apply a state guaranteed general education course toward the major or other graduation requirements if that facilitates the student's graduation more effectively.

Section III: Appeals Process

A. Institutional Appeal Process

Students who follow this agreement shall have the right to appeal a transfer decision that appears to be inconsistent with the terms and courses listed in this agreement. Appeals pertaining to this transfer guide should be filed with the institution. A student may file an appeal that pertains to state guaranteed general education courses directly to CCHE.

B. State Appeal

For information on the student appeal process, refer to Student Appeal Policy at www.state.co.us/cche/policy/q&aappeals or www.state.co.us/cche/policy/l-partt.pdf.
