

TRANSFER GUIDE
Music B.A.
Colorado State University

For a student to be accepted into a capped major minimum requirements for entrance into the major must be met. Certain majors have a limited number of spaces available on a competitive basis, and not all students who apply will be accepted into that major.

Section I: Degree/Program Requirements

A. Institutional graduation requirements for this degree program.

The graduation requirements for a transfer student pursuing this major will be no different than the graduation requirements for a native student, including the minimum number of semester hours required for graduation. Specifically, the student must meet the following requirements:

- Successfully complete at least 42 upper division credit hours, 30 of which must be CSU credits;
- Meet any minimum grade requirements reported on department website.

B. Required courses in Major, including prerequisites and required Support courses in the chart below:

Section II: Transfer Of Credit

If you need more information about transfer course equivalency, please access <http://tes.colostate.edu/>.

- A. Grade Eligibility.
Only academic courses with a letter grade of "C-" or better are transferable. The four-year institution will accept and count toward meeting graduation requirements all state guaranteed general education courses that have a grade of C- or better.
- B. Credits received for a particular advanced placement test will vary by academic area. See <http://www.colostate.edu/Depts/Registrar/transfer.htm#advplace> for more information. Further, CSU accepts scores of 4 and above on international baccalaureate tests.
- C. The four-year college or university will accept all approved credits earned within ten years of transfer. Courses earned more than ten years earlier may be evaluated on an individual basis.
- D. The institution may apply a state guaranteed general education course toward the major or other graduation requirements if that facilitates the student's graduation more effectively.

Section III: Appeals Process

- A. Institutional Appeal Process

Students who follow this agreement shall have the right to appeal a transfer decision that appears to be inconsistent with the terms and courses listed in this agreement. Appeals pertaining to this transfer guide should be filed with the institution. A student may file an appeal that pertains to state guaranteed general education courses directly to CCHE.
- B. State Appeal

For information on the student appeal process, refer to Student Appeal Policy at www.state.co.us/cche/policy/q&aappeals or www.state.co.us/cche/policy/l-partt.pdf.
