(Please do not email. I require hard copy)

GEY 205

Take-home Essay

Name _____

Please answer these questions by next Friday class period. (use extra paper if you need)

1. Definitions

Mineral

Rock/Rock Cycle

(Be sure to include typical examples and names of each rock type as well as major categories within each type)

Igneous rock

Sedimentary rock

Metamorphic rock

2. Make a geologic cross-section along I-70 from Lakewood to Dillon showing the distribution and structure of these rocks.

3. Make a Geologic Time chart showing Eras and Periods and list the major events in the history of Earth and Life that occurred in each. Mark where Colorado's rocks, episodes of mountain building, seaway incursion, and continental drift events are placed in time on the chart.

EQUIPMENT LIST

PLEASE COME PREPARED TO BE OUTDOORS FOR MOST OF THE DAY.

HAT

SUNSCREEN

RAIN/WIND JACKET

INSULATING LAYER

1 QT CANTEEN OF WATER

STURDY SHOES (WE WILL POTENTIALLY WALK UP TO SEVERAL MILES)

CAR POOL: IN CLASS I WILL SOLICIT DRIVERS FOR CARPOOLING. PASSENGERS SHOULD BE PREPARED TO PAY GAS COSTS FOR THE DRIVER OF 0.05 PER MILE EACH TO MAKE IT WORTH IT FOR THE DRIVER
