

Syllabus for HWE 113
First Aid and Adult CPR
American Heart Association
Red Rocks Community College

Instructor: Candice Moriarty

Email: candice.moriarty@rrcc.edu

Location: WE 2701

Time: 9:00 a.m. – 5:00 p.m.

Course Objectives

Upon successful completion of this class, the student should be able to:

- Demonstrate the ability to recognize and respond to a variety of situations requiring first aid
- Demonstrate the ability to recognize a cardiac emergency and respond appropriately by calling 911 and performing CPR
- Demonstrate the ability to recognize and respond to a choking emergency

Course Information

American Heart Association course requirements:

- Video-driven course content
- Guided skill practice
- Successful demonstration of First Aid skills, CPR skills, and AED use

Course Requirements

- Purchase or have access to the American Heart Association Heartsaver First Aid CPR AED student workbook (available for purchase in the RRCC bookstore)
- Mandatory attendance and class participation
- Successful demonstration of CPR, AED and First Aid skills
- Pass a written test over the first aid material with a score of 87%

Grading Policy

This is a Satisfactory/Unsatisfactory course based upon attendance, successful skills demonstration, and a written test. Failure to attend the entire class will result in an unsatisfactory grade. Failure to drop the class will result in an unsatisfactory grade. Failure to pass the written and skills tests will result in an unsatisfactory grade.

Course Completion Card

Students will be given an American Heart Association course completion card upon successful demonstration of CPR, AED, and First Aid skills.
