Red Rocks Community College offers a wide selection of scheduling options to meet student needs. On the following pages you will find course listings for Weekend, Hybrid, RRCC Online, Accelerated, Self-Paced/Flex, and CCCOnline.

For information on these courses contact eLearning Director at 303-914-6444 or reach the RRCC eLearning Department at elearning@rrcc.edu or visit our web site at www.rrcc.edu/options

Weekend

Need to go to school only on weekends? Check out our course listing of the variety classes available beginning Fridays at 5:00 pm through Sunday. Most weekend classes are also accelerated.

Accelerated

When your schedule doesn't permit a full-term class, try one of our accelerated classes. You'll find a variety of classes to meet your scheduling needs. Be sure to check-out Weekend College classes for other accelerated options.

Self-Paced/Flex

Working with an instructor, you'll design your own schedule. Self-paced courses provide a great amount of flexibility and the opportunity to study when you have the most time to study.

Hybrid/Blended

Courses that combine on-campus classroom instruction with online learning components and/or out-of-class activities. Hybrid/Blended learning is for students who wish to combine the flexibility of face-to-face instruction with activities such as online collaborative discussions, group projects, and/or other out-of-class assignments. In a Hybrid/Blended course, traditional face-to-face instruction will be reduced but not entirely eliminated. Internet access and an email address are required for the online course activities.
