

## Faculty Emeritus Nomination Form

Eligibility: In order to be granted faculty emeritus status, a faculty member must:

- Have made contributions to the College which are generally accepted as resulting in a significant contribution, advancement, or positive impact to the College.
- Have retired with full professor rank and with a minimum of fifteen years of full-time service with Red Rocks Community College.
- Have received a rating at the “commendable” or “exceeds expectations” level, or better, for a minimum of eight years, as certified by the candidate.

Nominations are encouraged from *any member of the College community* who believes that an individual may be qualified. Self-nominations are accepted. Each nomination should include a list of accomplishments and examples that demonstrate the fulfillment of criteria established for the designation of faculty emeritus.

***I nominate \_\_\_\_\_ for the status of Red Rocks Faculty Emeritus.*** I believe this individual meets all of the qualifications listed above and has made the following significant contributions to the College:  
[Please use the back of this sheet or an attached sheet for additional information.]

***My name:***

***Date:***

This form must be returned to the Faculty Senate President, ***on or before October 31*** for your nominee to be considered.

*Please note: All currently retired Red Rocks faculty members who meet the above requirements, including those who retired in previous years, are eligible to be nominated. For more information please see the Emeritus Status Policy or ask your faculty senator.*
