

Internship Learning Objectives

PART 1: RRCC LEARNING COMPETENCIES

A RRCC Intern is a Critical Thinker who exercises sound reasoning to analyze issues, makes decisions, and overcomes problems.

A RRCC Intern is Literate of Digital Technology and leverages existing digital technologies ethically and efficiently to solve problems, complete tasks, and accomplish goals.

A RRCC Intern is an Effective Communicator and articulates thoughts and ideas clearly and effectively in written and oral forms to persons inside and outside of the organization.

A RRCC Intern is Globally Aware and Understands and Respects Diversity by valuing, respecting, and learning from diverse cultures, races, ages, genders, sexual orientations, and religions.

A RRCC Intern is Ethical and Professional by demonstrating personal accountability and effective work habits: punctuality, working productively with others, managing time effectively, and understanding the impact of non-verbal communication on professional work image.

PART 2: SPECIFIC LEARNING OBJECTIVES RELATED TO INTERNSHIP

Learning objectives are statements specifying what you will be able to know, be able to do or be able to demonstrate once you have completed the internship. Express your objectives in the form of SMART goals (Specific, Measurable, Attainable, Realistic, and Timely).

Remember to include the following four parts for each learning objective:

1. What tasks/projects are you going to accomplish?
2. What are the steps involved in accomplishing the tasks/projects?
3. When will you have the tasks/projects completed?
4. How will you measure the achieved objectives?

Use the *Learning Objectives Worksheet* to develop 2-3 Learning Objectives specific to our internship.

The parties signing below have reviewed and approved the RRCC Learning Competencies and attached Learning Objectives Worksheet.
