

ELIGIBLE PROGRAM

Your eligibility for financial aid is based on your educational goals here at Red Rocks Community College. You have either declared a program of study that is not eligible for financial aid, are in a Non Degree Seeking/Undecided degree status, or you have declared a certificate that is shorter than 16 credits.

Complete this form so the Financial Aid Office can determine what aid you may qualify to receive.

_____ Student# S _____
_ Print Name (Last, First, Middle Initial)

PLEASE ANSWER THE FOLLOWING:

What are your educational goals at RRCC? Select only one:

- I plan to earn a degree or certificate from RRCC.
 - To update your major, click on the Student tab in The Rock student portal and click the "Change my Declared Degree Program" link to update your program of study. The RRCC Student Records Office will process your request. **The deadline to update your program of study is the first Census Date of the term.**
- I plan to complete a certificate that is fewer than 16 credits in length. I understand that this certificate does not qualify for federal student aid and that the Financial Aid Office will review my file to see if I qualify for the state Career and Technical Education (CTE) grant.
- I am attending RRCC to complete required prerequisites for another program and do not plan to earn a degree from RRCC.
 - Attach documentation of the program, including the classes that are required for acceptance into this program. You may be awarded a limited amount in federal student loans for up to one year.
- I am not seeking a degree/certificate. I am taking classes to improve my GPA or for other personal reasons, and I do not plan to graduate from RRCC. I understand that I do not qualify for financial aid as a non-degree seeking student.
