Submit this request to increase your cost of attendance for the **one-time** purchase or rental of a personal computer.

In order to have this expense added to your budget, you must either **provide a receipt** showing that you have entered into a computer rental agreement or have purchased a computer **within the current semester**. If you have not yet purchased a computer, you may also submit a recent estimate for the purchase of a computer. The **maximum amount allowed is \$2,000**, so we may not be able to consider the full cost of your computer. Also, please note that in most cases, adding this cost to your budget may only result in an increase to your work-study or loan eligibility. **Additional aid eligibility is not guaranteed.**

I am submitting the attached computer rental agreement or the estimate or receipt for the purchase of a computer. I understand that this is a one-time-only addition to my budget.
