Monday 10:30am-12:30pm
Tuesday 4:30pm-5:30pm

Hi, my name is Mike. I am VAMA's tutor for all things **audio, video, music, and technology**. I worked professionally in the technology industry for 10 years before returning to college to pursue education in videography, video editing, audio engineering, and music. I am here to support students in any way I can, so please feel free to book a tutoring appointment with me or come by during my drop-in tutoring hours located in VAMA lab 0551.

To Reserve:
