

Curriculum Committee Meeting Minutes: September 27, 2012

Attendees: Dan Macy, Kathleen DeVries, Thyra Powers, Bill Thompson, Rita Stoffel, Michael Fulks, Bill McGreevy, Ellie Camann, Courtney Edwards, Daria Macaluso, Soomin Chun-Hess, Lynette Hoerner

We begin with Kathleen's courses (she provides some context for the courses).

- ECE 120: we begin with changing the title to Introduction to Early Intervention for the short title CIP code. Nitpicky caps errors (spelling out acronyms). Consistency issues. Rita and Daria approve.
- ECE 121: Changes include title (for clarity). Approved with edits.
- ECE 122: Approved with title change and edits.
- ECE 123: Approved with title change and edits.
- ECE 124: Title change. Confusion/questions about course number (since it is a practicum, the course may have to list differently). We will leave it at 124 and take out the practicum component. Edited for acronyms, etc. Approved.

Because the ECE curriculum needed some specific attention to language consistency, another meeting must be scheduled to finish up other courses that need to get through the system (October 11, 2012-room will be confirmed). GtPathways materials will be on the agenda for our regular meeting on Oct. 25.

Meeting adjourned @ 4:00 pm.
